*Ladies' Home Journal* Edward William Bok, 1916      **The Ladies' Home Journal**, 1893      **The Ladies' Home Journal**, 1888      The Ladies' Home Journal, 1921      Ladies' Home Journal Magazine,      *Magazines for the Millions* Helen Damon-Moore, 1994-08-12 Argues that the two popular women's magazines were pivotal in the combining of gender and commercialism at the turn of the century and that publishers and advertisers conspired to create both a gendered commercial discourse and a commercial gender discourse for both men and women Annotation copyright by Book News Inc Portland OR      Ladies' Home Journal and Practical Housekeeper, 1887      Inarticulate Longings Jennifer Scanlon, 2020-10-28 Inarticulate Longings explores the contradictions of a social agenda for women that promoted both traditional roles and the promises of a growing consumer culture by examining the advertising industry in the early 20th century      Ladies' Home Journal Cookbook Carol Truax, 1963      **Ladies' Home Journal [89]**, 1989      We Are What We Sell Danielle Sarver Coombs, Bob Batchelor, 2014-01-15 For the last 150 years advertising has created a consumer culture in the United States shaping every facet of American life from what we eat and drink to the clothes we wear and the cars we drive In the United States advertising has carved out an essential place in American culture and advertising messages undoubtedly play a significant role in determining how people interpret the world around them This three volume set examines the myriad ways that advertising has influenced many aspects of 20th century American society such as popular culture politics and the economy Advertising not only played a critical role in selling goods to an eager public but it also served to establish the now world renowned consumer culture of our country and fuel the notion of the American dream The collection spotlights the most important advertising campaigns brands and companies in American history from the late 1800s to modern day Each fact driven essay provides insight and in depth analysis that general readers will find fascinating as well as historical details and contextual nuance students and researchers will greatly appreciate These volumes demonstrate why advertising is absolutely necessary not only for companies behind the messaging but also in defining what it means to be an American      **Ladies' Home Journal [88]**, 1988      **Ladies' Home Journal and Practical Housekeeper**, 1898      Media Records, 1929      *Ladies' Home Journal [87]*, 1986      **Not June Cleaver** Joanne Jay Meyerowitz, 1994 In the popular stereotype of post World War II America women abandoned their wartime jobs and contentedly retreated to the home This work unveils the diversity of postwar women showing how far women departed from this one dimensional image      Anchor of My Life Linda W. Rosenzweig, 1994-10 Relying on women's own words in letters and journals Rosenzweig refutes the prescriptive literature of the times with its dire predictions of inevitable rifts between Victorian mothers and their daughters the new women of the twentieth century Instead Rosenzweig shows us mothers who rejoiced in their daughters educational successes and while they did not always comprehend the nature of the changes taking place were only too happy to see their daughters escape some of their own restrictions and grief Extremely useful to scholars

and teachers of women's history and family history The Anchor of My Life should also be fascinating to the general public for the accurate window that it provides on these complicated family relationships in our history Laurie Crumpacker Department of History Simmons College Drawing on a broad array of historical sources The Anchor of My Life challenges the common assumption that mother-daughter relationships invariably are characterized by tensions and conflicts This lively and moving book deserves a wide audience Emily K Abel author of Circles of Care Work and Identity in Women's Lives The relationship between mothers and daughters has been the subject of much research and study in such fields as psychoanalysis sociology and women's studies But rarely has the history and evolution of this relationship been examined In The Anchor of My Life Linda W Rosenzweig draws on a wide range of primary sources letters diaries autobiographies prescriptive advice or self-help literature and fiction to reveal the historical nuances of this pivotal relationship Rosenzweig's distinctive approach focuses on the interaction between mothers and daughters of the American middle class at the turn of the century revealing that mothers and daughters managed to sustain close nurturing relationships in an era marked by a major female generation gap in terms of aspirations and opportunities Illustrated with photographs and portraits of the time The Anchor of My Life provocatively challenges the facile late twentieth-century assumption that the mother-daughter relationship is necessarily defined by hostility guilt and antagonism
