

L'ART DES BRUITS

Manifeste futuriste

Mon cher Balilla Pratella, grand musicien futuriste,

Le 9 Mars 1913, durant notre sanglante victoire remportée sur 4000 passésistes au Théâtre Costanzi de Rome, nous défendions à coups de poing et de canne la **Musique futuriste**, exécutée par un orchestre puissant, quand tout-à-coup mon esprit intuitif conçut un nouvel art que, seul, ton génie peut créer: l'Art des Bruits, conséquence logique de tes merveilleuses innovations.

La vie antique ne fut que silence. C'est au dix-neuvième siècle seulement, avec l'invention des machines, que naquit le Bruit. Aujourd'hui le bruit domine en souverain sur la sensibilité des hommes. Durant plusieurs siècles la vie se déroula en silence, ou en sourdine. Les bruits les plus retentissants n'étaient ni intenses, ni prolongés, ni variés. En effet, la nature est normalement silencieuse, sauf les tempêtes, les ouragans, les avalanches, les cascades et quelques mouvements telluriques exceptionnels. C'est pourquoi les premiers sons que l'homme tira d'un roseau percé ou d'une corde tendue, l'émerveillèrent profondément.

Les peuples primitifs attribuèrent au son une origine divine. Il fut entouré d'un respect religieux et réservé aux prêtres qui l'utilisèrent pour enrichir leurs rites d'un nouveau mystère. C'est ainsi que se forma la conception du son comme chose à part, différente et indépendante de la vie. La musique en fut le résultat, monde fantastique superposé au réel, monde inviolable et sacré. Cette atmosphère hiératique devait nécessairement ralentir le progrès de la musique, qui fut ainsi dévancée par les autres arts. Les Grecs eux-mêmes, avec leur théorie musicale fixée mathématiquement par Pythagore et suivant laquelle on admettait seulement l'usage de quelques intervalles consonnants ont limité le domaine de la musique et ont rendu presque impossible l'harmonie qu'ils ignoraient absolument. La musique évolua au Moyen Age avec le développement et les modifications du système grec du tétracorde. Mais on continua à considérer le son dans son déroulement à travers le temps, conception étroite qui persista longtemps et que nous retrouvons encore dans les polyphonies les plus compliquées des musiciens flamands. L'accord n'existait pas encore: le développement des différentes parties n'était pas subordonné à l'accord que ces parties pouvaient produire ensemble: la conception de ces parties n'était pas verticale, mais simplement horizontale. Le désir et la recherche de l'union simultanée des sons différents (c'est-à-dire de l'accord, son complexe) se manifestèrent graduellement: on passa de l'accord parfait assonnant aux accords enrichis de quelques dissonances de passage, pour arriver aux dissonances persistantes et compliquées de la musique contemporaine.

L'art musical rechercha tout d'abord la pureté limpide et douce du son. Puis il amalgama des sons différents, en se préoccupant de caresser les oreilles par des harmonies suaves. Aujourd'hui l'art musical, recherche les amalgames de sons les plus dissonants, les plus étranges et les plus stridents. Nous nous approchons ainsi du *son-bruit*. **Cette évolution de la musique est parallèle à la multiplication grandissante des machines** qui participent au travail humain. Dans l'atmosphère retentissante des grandes villes aussi bien que dans les campagnes autrefois silencieuses, la machine crée aujourd'hui un si grand nombre de bruits variés que le son pur, par sa petitesse et sa monotonie ne suscite plus aucune émotion.

Pour exciter notre sensibilité, la musique s'est développée en recherchant une polyphonie plus complexe et une variété plus grande de timbres et de coloris instrumentaux. Elle s'efforça d'obtenir les successions les plus compliquées d'accords dissonants et prépara ainsi le **bruit musical**.

Cette évolution vers le son-bruit n'est possible qu'aujourd'hui. L'oreille d'un homme du dix-huitième siècle n'aurait jamais supporté l'intensité discordante de certains accords produits par nos orchestres (triples quant au nombre des exécutants): notre oreille au contraire s'en réjouit, habituée

Lart Des Bruits Manifeste Futuriste Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lart Des Bruits Manifeste Futuriste has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lart Des Bruits Manifeste Futuriste has opened up a world of possibilities. Downloading Lart Des Bruits Manifeste Futuriste provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lart Des Bruits Manifeste Futuriste has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lart Des Bruits Manifeste Futuriste. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lart Des Bruits Manifeste Futuriste. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lart Des Bruits Manifeste Futuriste, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lart Des Bruits Manifeste Futuriste has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Lart Des Bruits Manifeste Futuriste Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Lart Des Bruits Manifeste Futuriste is one of the best book in our library for free trial. We provide copy of Lart Des Bruits Manifeste Futuriste in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Lart Des Bruits Manifeste Futuriste. Where to download Lart Des Bruits Manifeste Futuriste online for free? Are you looking for Lart Des Bruits Manifeste Futuriste PDF? This is definitely going to save you time and cash in something you should think about.
