of the problems in the crisis area attracts many different responses ranging from the deployment of thousands of international troops and observers to groups of civilians who act locally. Acting simultaneously but not always in concert with the response operations are the regional and international political leaders. In the context of Liberia the crisis and the international response to it developed in stages each with its own idiosyncratic nature. Characteristic form of violence cast of dominant personalities and fresh bouts of extreme violence. Peacekeepers, Politicians and Warlords is an original account of the entire peace process in Liberia that penetrates the roles of the peacekeepers, the warlords and the politicians who were the key actors in this narrative.

Last in Their Class James S. Robbins, 2006. Today's Goat the West Point cadet finishing at the bottom of his class is temporary celebrity among his classmates. But in the 19th century he was something of a cult figure. Custer's contemporaries at the Academy believed that the same spirit of adventure that led him to carouse at local taverns motivated his dramatic cavalry attacks in the Civil War and afterwards. And the same willingness to accept punishment from Academy authorities also sent George Pickett into the teeth of the Union guns at Gettysburg. The story James S. Robbins tells goes from the beginnings of West Point through the carnage of the Civil War to the grassy bluffs over the Little Big Horn. The Goats he profiles tell us much about the soul of the American soldier, his daring imagination and desire to prove himself against high odds.
