Her Billionaire Baby Daddy Sabrina's world is turned upside down when she first meets Jason, literally, but soon lies and secrets tear them apart. Is the sizzle enough to pull them back together? It's just a normal crappy day for Sabrina; there isn't anything special about it at all until she does the Downward Duck position in yoga. That is, once upside down, Sabrina spots the man of her dreams, which changes everything, especially when he asks her out on the first date she's been on for months. But Jason isn't exactly who he says he is, and secrets can never stay hidden for long. When Sabrina learns that Jason has been lying to her, she runs. She's not going to be fooled, even if he excited her like she's never been before. Sabrina won't be made a fool of. But fate has a twisted plan for her, dragging her right back into Jason's life, leaving her questioning everything. Mainly, is the sizzle enough to stick around for *Playing Hard*? It's only a fake romance; it can never be real. Even if it does start to feel like there's something there, James is a rock star, a player with the whole world at his feet. Thea is a sweet R and B starlet who's trying to get started. Nothing about them matches; there's no way they should work. At least, that's what they think. Their managers arrange for them to be together for a while, just to help boost their reputations. Neither of them like the plan, but they have to see if it'll work. And it does. A little too well. When real feelings get in the way, the whole mess threatens to implode. Their close proximity and undeniable chemistry make it challenging to keep apart, even if they both know that someone will end up with a broken heart.

*Temptation* Next Door Tamsyn and Will used to live next door to one another. Now they are about to do so again. From friends to enemies to nothing to lovers. He's back. Tamsyn hasn't seen Will since high school, and it's fair to say things were not left on good terms. One day he just turned on her, and she has no idea why. He stopped being her friend and became her enemy instead. He's hot. He certainly isn't a young boy anymore. Will has grown into a gorgeous man with a body to die for. He's making Tamsyn feel things she hasn't ever before. All she wants to do is put her hands on that body. He's a father. With a young boy in tow and no woman in the picture, Tamsyn doesn't know what to think, but are things about to become very complicated. From friends to enemies to nothing, what could come next?
