Launch Life Sciences Products:

Launch David Michael Bard, 2014-08-08 Accelerating life sciences product performance is critical to optimizing a new product's life cycle in today's fast-paced competitive marketplace. There is a significant need for a comprehensive and informative book that reviews the strategy and tactics of the launch process for new life sciences products entering the complex Canadian healthcare market. In this book, the author takes you step by step through the key elements of the launch process. You will learn what it takes to move a new life sciences product from concept development through to the one-year post-launch assessment. This book is written for new and experienced leaders in all areas of the biopharmaceutical and healthcare environments. It unleashes the knowledge you need to effectively plan and launch a life sciences product in order to get the results you want now and looking ahead to the future. **The Science of Product**

Additionally, big tech companies such as Amazon, Alphabet, Apple, and Microsoft are disrupting by offering non-pharmacological solutions with innovative digital technologies to provide a seamless customer experience in the patient journey. The recent COVID-19 pandemic added rocket fuel to the digital transformation of the pharmaceutical industry, changing the entire model of care and ingraining telemedicine in the healthcare ecosystem. Digital Transformation has become inevitable and imminent. Therefore, pharma must reimagine its entire strategy and embrace digital transformation to succeed in this rapidly changing marketing environment that is becoming increasingly complex. *Reimagine Pharma Marketing: Make It Future-Proof* introduces all these technology frameworks. Additionally, the book presents one hundred and two case studies showing how some of the leading pharmaceutical companies are applying the new age technologies and marketing frameworks effectively. It can be your single source guidebook unraveling the future so you can
