Saints: The Story of the Church of Jesus Christ in the Latter Days, Volume 3 The Church of Jesus Christ of Latter-day Saints, 2022-04-22 After decades of opposition the Latter day Saints have dedicated the Salt Lake Temple a mighty symbol of their industry and faith Now with a new century on the horizon the Saints are optimistic about the future and ready to spread the Savior's message of peace across the globe But the world is rapidly changing Advances in transportation and communication allow people and information to cross vast distances in record time And young people are venturing far from home as never before seeking educational and professional opportunities their parents and grandparents could hardly imagine As the Church begins to take root in Europe South America and Asia the Saints rejoice in the rise of the global Church Yet many are wary of the challenges the changing world poses to the cause of Zion While the promise of the new century is bright it comes with dire economic hardships brutal global wars and other unprecedented trials Boldly Nobly and Independent is the third book in Saints a new four volume narrative history of The Church of Jesus Christ of Latter day Saints Fast paced meticulously researched and written under the direction of the First Presidency Saints recounts true stories of Latter day Saints across the globe and answers the Lord's call to write a history for the good of the Church and for the rising generations Doctrine and Covenants 69:8 *Saints' Herald*, 1898 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **Ensign**, 2005 The Living Church, 1979 *Eternity in the Ether* Gavin Feller, 2023-01-10 Mass media and the Church of Jesus Christ of Latter day Saints evolved alongside each other and communications technology became a fundamental part of the Church's institutions and communities Gavin Feller investigates the impact of radio television and the internet on Mormonism and what it tells us about new media's integration into American life The Church wrestled with the promise of new media to help implement its vision of Zion But it also had to contend with threat that media posed to the family and other important facets of the Latter day Saint faith Inevitably media technologies forced the leadership and lay alike to reconsider organizational values and ethical commitments As Feller shows the conflicts they faced illuminate the fundamental forces of control and compromise that enmesh an emerging medium in American social and cultural life Intriguing and original *Eternity in the Ether* blends communications history with a religious perspective to examine the crossroads where mass media met Mormonism in the twentieth century
