**The Nineteenth Century and After**, 1912      **Becoming Foucault** Michael C. Behrent, 2023-12-04 Though Michel Foucault is one of the most important thinkers of the twentieth century little is known about his early life Even Foucault s biographers have neglected this period preferring instead to start the story when the future philosopher arrives in Paris **Becoming Foucault** is a historical reconstruction of the world in which Foucault grew up the small city of Poitiers France from the 1920s until the end of the Second World War Beyond exploring previously unexamined aspects of Foucault s childhood including his wartime ordeals it proposes an original interpretation of Foucault s oeuvre Michael Behrent argues that Foucault in addition to being a theorist of power knowledge and selfhood was also a philosopher of experience He was a thinker intent on making sense of the events that he lived through Behrent identifies four specific experiences in Foucault s childhood that exercised a decisive influence on him and that in various ways he later made the subject of his philosophy his family s deep connections to the medical profession his upbringing in a bourgeois household the German Occupation during World War II and his Catholic education Behrent not only reconstructs the specific nature of these experiences but also shows how reference to them surfaces in Foucault s later work In this way the book both sheds light on a formative period in the philosopher s life and offers a unique interpretation of key aspects of his thought      **Nineteenth Century and After**, 1912      **Russian Émigrés in the Intellectual and Literary Life of Interwar France** Leonid Livak, 2010-07-01 In a pioneering exploration of the intellectual and literary exchange between Russian migr s and French intelligentsia in the 1920s and 1930s Leonid Livak provides an impressively comprehensive bibliographic overview of a veritable who s who of Russian intellectuals and literati listing all the material published by Russian migr s or on topics pertaining to them during the period under study Focusing attention on a largely ignored chapter of European cultural history this volume challenges historical assumptions by demonstrating processes of cultural cross fertilization and illuminates the precedents Russians set for political exiles in the twentieth century A remarkable achievement in scholarship **Russian migr s in the Intellectual and Literary Life of Inter War France** is a valuable resource for admirers and researchers of French and Russian culture and European intellectual history      **The Nineteenth Century**, 1912      **Paul Morand** Kimberly Philpot van Noort, 2021-10-18 Darling of the Jazz Age the globe trotting diplomat and acclaimed writer Paul Morand and his literary and political careers underwent a radical shift following his collaboration with the Vichy government during the Occupation of France Abandoning the terse glittering portraits of the contemporary era that had garnered him early fame he turned to the past and to historical fiction biography and autobiography **Paul Morand The Politics and Practice of Writing in Post War France** the first full length study of Morand in English and the first ever of his post war works traces Morand s politically charged explorations of history as he obsessively rewrites the Occupation in historical guise From Napoleonic Spain to the court of Louis XIV nineteenth century California Revolutionary France and Venice across the ages Morand probes the limits of historiography and genre as

he constructs a curiously Benjaminian model of redemption for his collaborationist heroes This book analyses Morand's post war project placing it within the highly politicized context of writing during the de Gaullian era Many issues are at stake in Morand's late oeuvre from the genres of historical fiction biography and autobiography to the very act of historicization itself in the context of the post war era Morand's handling of these issues suggests that literature furnishes perhaps the best space within which the complex and highly political question of our ties to the past may be most tellingly examined Deux Guerres Mondiales International Commission for the Teaching of History, 1964 *Histoire diplomatique de 1919 à nos jours* Jean-Baptiste Duroselle, 1981 **Twentieth Century**, 1912 The Nineteenth century and after London *Huit Ans au Vatican. 1932-1940.* (10. mille.)-Paris: Flammarion (1948). 398 S. 8° François Charles-Roux, 1947 Amérique, pétrole, domination : une stratégie globalisée (T.5) François M.A Oraizi, 2012-09-01 Le système économique actuel est fondé sur les ressources d'hydrocarbure qui ont changé le visage du monde Pour assurer son approvisionnement l'Occident l'a tenu duquel l'Amérique a défini des conditions spécialement appropriées Un univers complexe l'origine de complots de coups d'Etat de révoltes L'auteur propose ici une étude sur l'histoire du pétrole et son rôle majeur dans le déroulement des événements mondiaux de sa découverte en 1867 nos jours une chronique de la domination américaine sur le monde *L'assassinat de Dollfuss* Jean-Christophe Buisson, 2014-10-09 15mn d'Histoire une collection numérique de textes courts pour apprendre et comprendre l'Histoire en 15 minutes L'homme qui a dit non Hitler Engelbert Dollfuss chancelier autrichien de 1932 son assassinat en 1934 a décidé de radicaliser le nazisme dans son pays par la force et par la loi Pour répondre aux menaces d'Anschluss menant des nazis il dissout le parti nazi autrichien et fait enfermer plusieurs milliers de ses cadres Le 25 juillet 1934 il est assassiné lors d'une tentative de coup d'état orchestré par Hitler *Dictionnaire Biographique Du Mouvement Ouvrier International* Jean Maitron, Georges Haupt, 1971 *Historia de la Iglesia en España, 1931-1939: La Segunda República, 1931-1936* Gonzalo Redondo, 1993 Ha de la iglesia en Esp 1931 1939 Gonzalo Redondo v 1 **Bulletin artistique de l'Est**, 1911 *Histoire du national-socialisme allemand* Jean Daluces, 1950 **Tremblements de terre et éruptions volcaniques au Centre-Amérique depuis la conquête espagnole jusqu'à nos jours** Fernand comte de Montessus de Ballore, 1888 **L'Alsace franc'aise**, 1928 L'Esprit international, 1934
