Latino Families in Therapy, Second Edition Celia Jaes Falicov, 2013-10-14 This acclaimed work now in an extensively revised second edition provides an up to date conceptual framework and hands on strategies for culturally competent clinical practice with Latino families and individuals Practitioners and students gain an understanding of the family dynamics migration experiences ecological stressors and cultural resources that are frequently shared by Latino families as well as variations among them Through many in depth case illustrations the author shows how to apply a multicultural and social justice lens to assessment and intervention that draw on each client s strengths Creative ideas are presented for addressing frequently encountered clinical issues and challenges at all stages of the family life cycle New to This Edition Delineates the author s multidimensional ecosystemic and comparative approach MECA in greater detail presents MECAmaps MECAgenograms and other innovative clinical tools Incorporates the latest research and over a decade of social and demographic changes Chapter on working with geographically separated families including innovative uses of technology Chapters on health disparities and on adolescents Expanded discussions of second generation risks and strengths and of same sex marriage intermarriage divorce and stepparenting

Latino Families in Therapy, First Edition Celia Jaes Falicov, 2000-05-02 This book represents an important contribution to the literature on multiculturalism and psychology and provides valuable tools and insights for working with Latino families Employing an accessible and original multidimensional approach Falicov presents effective clinical strategies for addressing issues that frequently confront Latino families including different migration histories experiences of racial discrimination and dilemmas that can result from adapting to a new cultural setting Through in depth case illustrations the author demonstrates that Latinos in the United States are a heterogeneous population from many countries with a diverse array of belief systems and socioeconomic backgrounds Yet

some widely shared concerns and traditions are discernible Readers will learn how to become more sensitive to cultural differences without falling prey to stereotypical assessments that rob clients of their individual histories and choices

Latino Families in Therapy, Second Edition Celia Jaes Falicov, 2015-04-10 Since its initial publication this acclaimed work has provided a comprehensive conceptual framework and hands on strategies for culturally competent clinical practice with Latino families and individuals Practitioners and students gain an understanding of the family dynamics migration experiences ecological stressors and cultural resources that are frequently shared by Latino families as well as variations among them Through in depth case illustrations the author shows how to apply a multicultural lens to assessment and intervention that draws on each client s strengths Creative ideas are presented for addressing frequently encountered clinical issues and challenges at all stages of the family life cycle New to This Edition Reflects the ongoing development of the author s multidimensional model including additional assessment treatment planning tools Incorporates the latest clinical research and over a decade of social and demographic changes Chapter on working with geographically separated families including innovative uses of technology Chapters on health disparities and on adolescents Expanded discussion of same sex marriage intermarriage divorce and stepparenting Subject Areas Keywords acculturation adolescents assessments Chicano children clinical practice couples cultural diversity discrimination ethnicity families family therapy Hispanic immigrants immigration Latino mental health migration parenting prejudice psychotherapy racism religion spirituality treatments Audience Therapists and counselors working with families instructors and students in family therapy clinical psychology psychiatry social work counseling and nursing *Hispanic Journal of Behavioral Sciences* ,2010-02

Consciousness-raising Woodrow M. Parker, Mary A. Fukuyama, 2007 **Counseling Latinos and la familia** Azara L. Santiago-Rivera, Patricia Arredondo, Maritza Gallardo-Cooper, 2001-12-20 Counseling Latinos and la familia provides an integrated approach to understanding Latino families and increasing competency for counselors and other mental health professional who work with Latinos and their families It provides essential background information about the Latino population and the family unit which is so central to Latino culture including the diversity of various Spanish speaking groups socio political issues and changing family forms The book also includes practical counseling strategies focusing on the multicultural competencies approach *Working with Families of the Poor* Patricia Minuchin, Jorge Colapinto, Salvador Minuchin, 2007 This widely adopted text and practical guidebook presents the fundamentals of family based intervention with clients struggling with chronic poverty related crises and life stressors Grounded in Salvador Minuchin s influential systemic model and the extensive experience of all three highly regarded authors the book illustrates innovative ways for professionals within substance abuse foster care and mental health contexts to build collaboration with families and other helpers and to elicit families strengths *Counseling and Family Therapy with Latino Populations* Robert Leonard Smith, R. Esteban Montilla, 2006 For the Latino population the family bond is powerful and enduring Family serves as the primary source of

support care guidance and healing all difficulties that arise for an individual are surmounted together Therefore a practitioner working with a Latino client must gain the trust and respect of the family in order to carry out treatment efficiently He or she must essentially become a part of that family to encourage members to share their issues without the concern of breaching the confidence of the family Counseling and Family Therapy with Latino Populations helps the therapist to join the Latino family in order to identify and explore the difficulties that threaten their welfare With this fundamental principle as the basis the book's editors and contributors write chapters that focus on work with children and adolescents group counseling and substance abuse counseling They incorporate specific case studies methods and strategies for intervention and provide insight into the cultural relevance behind each example This book is a necessary resource for therapists working with Latino clients who wish to offer effective techniques while continuing to value the integrity of family tradition

Dr. Ana Nogales' Book of Love, Sex, and Relationships Ana Nogales, 1999-01-12 In this compassionate practical and long awaited book Dr Ana Nogales provides wisdom and insight for the millions of Latinos who find themselves caught between two worlds the traditions of their Latino upbringing and the demands of modern American society Exploring how cultural attitudes and social pressures affect the way Latinos relate to those they love Dr Nogales describes the challenges Latinos encounter as they grapple with what can often be a difficult and wide cultural divide Using intimate case histories of couples from diverse backgrounds Dr Nogales shows readers how to take the best from both mainstream American and Latino culture to create relationships and families that are strong nurturing and loving Warm candid and authoritative Dr Ana Nogales Book of Love Sex and Relationships is sure to become an invaluable resource for Latino couples everywhere

The American Journal of Psychiatry , 1997-10 Solving Latino Psychosocial and Health Problems Kurt C.

Organista, 2007-04-06 The most current and relevant best practices for working with diverse groups within Latino culture It is estimated that in just two generations the United States will follow Mexico with the second largest Latino population in the world Optimistic and timely Solving Latino Psychosocial and Health Problems addresses the social welfare of this important ethnic community Noted expert Kurt Organista employs a practice oriented approach to addressing the interwoven psychosocial and health related concerns that impact this community and offers thoughtful and much needed solutions This important book realistically considers the Latino community's imposing and rapidly growing population size complex set of challenging issues and the tremendous diversity between and within each major U S Latino group Section I applies a series of highly relevant frameworks to deepen your understanding of the historical and current cultural and social experiences of diverse Latino populations in the United States ending with a unique practice model for working with Latinos Section II provides detailed illustrations of the best and most promising practices for working with various Latino populations A must read for practitioners students and policy makers Solving Latino Psychosocial and Health Problems richly embraces the distinctness of the wide range of Latino ethnic identities in the United States and provides a practical and thought provoking

resource relevant to a broad range of helping professionals *Family Therapy with Hispanics* Maria T. Flores, Gabrielle Carey, 2000 Written to help family therapy professionals and students understand issues that affect clinical treatment of Hispanic Americans **Dr. Ana Nogales's Book of Love, Sex, and Relationships** Ana Nogales, Laura Golden Bellotti, 1998 The popular TV psychologist and columnist for *La Opinión* the country's number one Spanish language newspaper presents the first self help book for Latino couples trying to build strong loving relationships in a modern culture that often contradicts traditional beliefs Multicultural Counseling and Psychotherapy Leroy G. Baruth, M. Lee Manning, 2003 Written to explore the lives and potential counseling problems of African American Hispanic American Asian American European American and Native American populations this book considers the powerful influences of a client's developmental stage and cultural background It maintains that integrating multicultural and lifespan considerations are crucial to counseling effectiveness The authors advocate an understanding of individual differences cultural ethnic racial gender sexual orientation socioeconomic and individual in order for counselors to use existing strategies to their best advantage Includes coverage on intervening with clients from counseling specific groups during various lifespan stages and professional issues future directions of the multicultural counseling field It provides readers with an awareness of gender issues how counseling issues differ for various age groups as well as providing current information related to counseling people with disabilities For professionals in the field of counseling **Handbook of Racial-cultural Psychology and Counseling: Theory and research** Robert T. Carter, 2004 This two volume handbook offers a thorough treatment of the concepts and theoretical developments concerning how to apply cultural knowledge in theory and practice to various racial and cultural groups Volume One focuses on theory and research and covers acculturation language and culture social class ethical research and emerging areas of inquiry 0D0A Handbook of Multicultural Counseling Joseph G. Ponterotto, 2010 This handbook is considered a classic text in American counselling and is the world's most often cited scholarly work on multicultural counselling Family Ethnicity Harriette Pipes McAdoo, 1993 The meaning of family ethnicity is explored in this volume in relation to five major cultural groups in America African Americans Hispanic Americans Native Americans Asian Americans and Muslim Americans While each group addresses a separate set of issues all are faced with questions of relations with the majority culture of assimilation versus accommodation and of poverty inequality isolation and discrimination Counseling, Psychology, and Children William G. Wagner, 2008 The second edition of *Counseling Psychology and Children* takes a multidimensional four part approach to counseling children This approach 1 capitalizes on the relationships children build with parents teachers and other adults 2 looks at children's developmental processes 3 examines multicultural influences upon them and 4 takes into consideration the variety of intervention models available Four chapters examine four major approaches to child therapy psychodynamic child centered behavioral cognitive behavioral and family systems In the final synthesizing chapter the author draws upon his experience as therapist and teacher to bring everything together

through a case study that shows his multidimensional approach in action This book covers the use of play as a therapeutic technique and emphasizes thinking outside the box of standard therapy It encourages future counselors to view treatment as the culmination of education developmental preventive and remedial interventions For professionals in the field of counseling children **The Behavior Therapist** ,2001
