**A Burnt Child** Jason Draper, 2021-11-10 Conspiring men have do and will continue to take advantage of each other because of our humanity and history shows the worst offenders are not those who claim to do us any harm but those who claim they are trying to do us good The solution is not to cancel our goodness The cure is not to have less of any of these good things The cure is to balance it with more knowledge and more truth Whatever truth is given by our churches governments and the media can be measured by passing it through the fire If it survives we can accept it If it doesn't we can choose not to be burned again It doesn't deserve our humanity and can and ought to perish     The Oxford Handbook of Infant, Toddler, and Preschool Mental Health Assessment Rebecca DelCarmen-Wiggins, Alice S.
