American frontier in Indiana It s cold there isn t usually enough to eat there s nothing at all to read and the one job that
awaits him is farmer like his overbearing father But a chance to travel down the Mississippi river offers Abe the opportunity
to see and meet people he has never dreamed of Abe s eyes are opened and he can t go back to being the boy he was before
With the help of his friends Abe will strike out to find his own path Obstacles wait around every river bend and the shadow of
death is never far but nothing will stop him from becoming the man he knows he can be You might think you know the end of
his story but you have no idea what it took to get there Researched and written by award winning educator Jan Jacobi Young
