Bon Appetit: Stories & Recipes for Human Consumption Hydra M. Star, Alder Strauss, 2017-10-24 In Bouillon de B b a family s twisted tradition of self sacrifice contains the power to bring their loved ones back from the brink In Secret Ingredient revenge is a dish best served with apple pie In Nyotaimori a young attractive sushi model responds to be the display at an event that turns out to be more than a little fishy including history film and more Enjoy Bon Appetit Harry Met Sally Joshua Louis Moss, 2017-07-18 From immigrant ghetto love stories such as The Cohens and the Kellys 1926 through romantic comedies including Meet the Parents 2000 and Knocked Up 2007 to television series such as Transparent 2014 Jewish Christian couplings have been a staple of popular culture for over a century In these pairings Joshua Louis Moss argues the unruly screen Jew is the privileged representative of progressivism secular modernism and the cosmopolitan sensibilities of the mass media age But his her unruliness is nearly always contained through romantic union with the Anglo Christian partner This Jewish Christian meta narrative has recurred time and again as one of the most powerful and enduring although unrecognized mass culture fantasies Using the innovative framework of coupling theory Why Harry Met Sally surveys three major waves of Jewish Christian couplings in popular American literature theater film and television Moss explores how first wave European and American creators in the early twentieth century used such couplings as an extension of modernist sensibilities and the American melting pot He then looks at how New Hollywood of the late 1960s revived these couplings as a sexually provocative response to the political conservatism and representational absences of postwar America Finally Moss identifies the third wave as emerging in television sitcoms Broadway musicals and gross out film comedies to grapple with the impact of American economic globalism since the 1990s He demonstrates that whether perceived as a threat or a triumph Jewish Christian couplings provide a visceral easily graspable template for understanding the rapid transformations of an increasingly globalized world The Jaws Book I.Q.
