Encyclopedia of Censorship Jonathon Green, Nicholas J. Karolides, 2014-05-14 Articles examine the history and evolution of censorship presented in A to Z format **Lady Chatterley** Derek Britton, 2023-03-31 First published in 1988 Lady Chatterley explores the events and experiences which surrounded D H Lawrence s writing of his infamous last novel Lady Chatterley s Lover The account begins with Lawrence s return to Europe in September 1925 and ends with the publication in June 1928 of the final draft of a novel which exists in three related yet dissimilar versions Derek Britton adds a great deal of new material to the established facts and theories concerning Lawrence s life and work during this period In the chapters covering Lawrence s return to the Midlands in September 1926 when the collapse of the national miners strike in that area was imminent a detailed reconstruction of Lawrence s journeys and experiences reveals the extent to which the themes of the novel the social and physical aspects of the landscape and Lawrence s initial impulse to write depended crucially on the author s last visit to his native region This book will appeal both to those with special interests in Lawrence and the modern novel and to the general reader **The Creation of Lady Chatterley's Lover** Michael Squires, 1983 Studie over de in 1928 verschenen roman van de Britse schrijver D H Lawrence *Sex and Race, Volume 1* J. A. Rogers, 2014-09-15 In the Sex and Race series first published in the 1940s historian Joel Augustus Rogers questioned the concept of race the origins of racial differentiation and the root of the color problem Rogers surmised that a large percentage of ethnic differences are the result of sociological factors and in these volumes he gathered what he called the bran of history the uncollected unexamined history of black people in the hope that these neglected parts of history would become part of the mainstream body of Western history Drawing on a vast amount of research Rogers was attempting to point out the absurdity of racial divisions Indeed his belief in one race humanity precluded the idea of several different ethnic races The series marshals the data he had collected as evidence to prove his underlying humanistic thesis that people were one large family without racial boundaries Self trained and self published Rogers and his work were immensely popular and influential during his day even cited by Malcolm X The books are presented here in their original editions *Media and Entertainment Law* Ursula Smartt, 2011-04-19 Media and Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industry both in terms of its practical application and its theoretical framework Looking at key aspects such as TV and radio broadcasting the print press the music industry online news and entertainment and social networking sites this textbook provides students with detailed coverage of the key principles cases and legislation as well as a critical analysis of regulatory bodies such as the Press Complaints Commission and OFCOM Media and Entertainment Law is also the first book to discuss superinjunctions and the phone hacking scandal involving News of the World *Law of Obscenity in India* Jyotsna Nath Mallik, 1966 [The Law and Obscenity](#) Amiya K.
