architect comes to Fern's aid when Cecilia embarks on a passionate affair with the artist Zorzo. Echoes of the past manifest themselves increasingly in the present through a series of startling coincidences until past and present collide throwing Fern and Cecilia into mortal peril. Can Luca keep Fern out of danger and help her come to terms with her own past? Praise for *Lady of Asolo*: Loved this beautiful evocative and sensuous book. The sense of time and place is beautifully conveyed so we are living and breathing Italy both in the present day and in the 16th century. Cleverly written, this amazing story switches seamlessly between the present and the past and between Fern and Cecilia. All the characters are well drawn and very real and the descriptions very vivid. I lived and breathed this book. Highly recommended. Renita D Silva, bestselling author of *Monsoon Memories*. The writer really brings alive the historical passages and Cecilia and the other characters feel as real and relevant as Fern, her aunt Luca, the man she is attracted to and his aristocratic family. This is an effortless and highly entertaining read. Read it to escape and to be transported to another time and place. Ann Bennett, bestselling author of *Bamboo Heart*. There was opulence to Cecilia's life and this created a wonderful conflict: financial security or true love? Could she have both? And what of Fern's traumatic past: could she have a future? Nothing was assured and that left me with a dilemma. As the book headed towards its dual conclusion, I delayed the revelation. The downside to a good book is that it has to end.
