under his fingertips and he drew an expectant breath from my lips I wanted so badly for him to just bend me over possibly over a big root or something and fuck me from behind for all he was worth Just he and I alone in this little stretch of forest brought peace that I had not known in years I felt at ease I felt safe with him As he stroked me his fingers slowly moving up and down my slit until they were coated in juice this great beast a taller than me by at least a foot and wider by the same measure stared straight into my eyes This was at my count the fourth face I d seen him present I d seen him fierce playful and commanding but never until then saw the way that he must have looked at the woman who he obviously missed terribly It was the first time I saw tenderness in his face Kalak s gentle smile and the leather fingertips brushing against my body took me away I felt strangely like I belonged with him I thought it absurd but the way he looked at me and caressed me I felt like something akin to true love was blossoming between us In the forest I had no television career No one was watching me expecting some pithy one liner It was just me and him The two of us The rest of the world may as well have not existed When his fingers went over my belly they left a wet streak of sex that dried slowly on my skin in the early morning humidity I kissed the two fingers as they rested on my lips and tasted myself tasted what was left of Kalak from when he was inside me before Something something deep deep inside me trembled as his fingers tickled back down my body and he pulled me against his fur covered chest with a thick muscled forearm Just as he did buttery sun dripped through the leaves in little trickles that flashed around our feet Looking down I saw that the huge beastman was moving his fingers against my body in a way that seemed almost nervous Putting my hand and my cheek against his blazing hot chest I inhaled deeply The fresh living scent of the woods dirt fallen leaves dew and grass filled my nose along with the rough hard wonderful smell from my beastman chief
