*Measures for Measure* William Shakespeare,2022-03-18 Measure for Measure is a play by William Shakespeare believed to have been written in 1603 or 1604 Originally published in the First Folio of 1623 where it was listed as a comedy the play s first recorded performance occurred in 1604 The play s main themes include justice morality and mercy in Vienna and the dichotomy between corruption and purity some rise by sin and some by virtue fall Mercy and virtue prevail as the play does not end tragically with virtues such as compassion and forgiveness being exercised at the end of the production While the play focuses on justice overall the final scene illustrates that Shakespeare intended for moral justice to temper strict civil justice a number of the characters receive understanding and leniency instead of the harsh punishment to which they according to the law could have been sentenced Measure for Measure is often

called one of Shakespeare's problem plays. It continues to be classified as a comedy, albeit a dark one, though its tone may defy those expectations.

**SYNOPSIS** Vincentio the Duke of Vienna makes it known that he intends to leave the city on a diplomatic mission. He leaves the government in the hands of a strict judge, Angelo. In the next scene, we find a group of soldiers on a Vienna street expressing their hopes in irreverent banter that a war with Hungary is afoot and that they will be able to take part. Mistress Overdone, the operator of a brothel frequented by these same soldiers, appears and tells them there's one yonder arrested and carried to prison, worth five thousand of you all. She tells them that it is Signor Claudio and that within these three days his head is to be chopped off as punishment for getting Madam Julietta with child. Lucio, one of the soldiers who is later revealed to be Claudio's friend, is astonished at this news and rushes off. He then informs Mistress Overdone of Angelo's new proclamation that all houses of prostitution in the suburbs of Vienna must be plucked down.

**CHARACTERS** Isabella, a novice and sister to Claudio; Mariana, betrothed to Angelo; Juliet, beloved of Claudio, pregnant with his child; Francisca, a nun.

Rolfe, 2017-09-02. Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did, decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
