James Joyce and the Burden of Disease Kathleen Ferris, 2021-10-21 James Joyce's near blindness his peculiar gait and his death from perforated ulcers are commonplace knowledge to most of his readers But until now most Joyce scholars have not recognized that these symptoms point to a diagnosis of syphilis Kathleen Ferris traces Joyce's medical history as described in his correspondence in the diaries of his brother Stanislaus and in the memoirs of his acquaintances to show that many of his symptoms match those of tabes dorsalis a form of neurosyphilis which untreated eventually leads to paralysis Combining literary analysis and medical detection Ferris builds a convincing case that this dread disease is the subject of much of Joyce's autobiographical writing Many of this characters most notably Stephen Dedalus and Leopold Bloom exhibit the same symptoms as their creator stiffness of gait digestive problems hallucinations and impaired vision Ferris also demonstrates that the themes of sin guilt and retribution so prevalent in Joyce's works are almost certainly a consequence of his having contracted venereal disease as a young man while frequenting the brothels of Dublin and Paris By tracing the images puns and metaphors in *Ulysses* and *Finnegans Wake* and by demonstrating their relationship to Joyce's experiences Ferris shows the extent to which for Joyce art did indeed mirror life

Private Readings/public Texts Kenneth Krauss, 1993 In this volume Kenneth Krauss maintains that if readers are to comprehend playscripts as plays they must imagine the theatre audience so vital to the staging of any script but conspicuously absent from the text itself Krauss examines what has been written about reading playscripts or playreading and proposes four possible ways founded on a reception oriented approach to theatre communication and spectator response that playreaders may construct a sense of theatre audiences

The 1940 Under the Volcano Malcolm Lowry, 2015-10-22 The 1940 Under the Volcano hidden for too long in the shadows of Lowry's 1947 masterpiece differs from the latter in significant ways It is a bridge between Lowry's 1930s fiction especially *In Ballast* to the White Sea and the 1947 *Under the Volcano* itself Joining the

recently published *Swinging the Maelstrom* and *In Ballast to the White Sea* The 1940 *Under the Volcano* takes its rightful place as part of Lowry's exciting 1930s early 40s trilogy Scholars have only recently begun to pay systematic attention to convergences and divergences between this earlier work and the 1947 version Miguel Mota and Paul Tiessen's insightful introduction together with extensive annotations by Chris Ackerley and David Large reveal the depth and breadth of Lowry's complex vision for his work This critical edition fleshes out our sense of the enormous achievement by this twentieth century modernist Published in English
