

A military self-propelled howitzer is shown in a field, firing a shell. The gun is mounted on a truck chassis and has a long barrel. Several soldiers in camouflage uniforms are positioned around the vehicle. The background is filled with thick, dark smoke, suggesting a recent explosion or battle. The text "QU'EST-CE QUE LA GUERRE JUSTE ?" is overlaid on the image in a black box with white text.

**QU'EST-CE QUE
LA GUERRE JUSTE ?**

La Guerre Juste Existe-t-elle Aujourd'hui

Terry C. Jones

La Guerre Juste Existe-t-elle Aujourd'hui:

L'Eglise et la guerre Georges Minois, 2014-04-01 Comment une religion fondée sur l'amour du prochain a-t-elle pu intégrer la guerre dans sa vision du monde Depuis ses origines l'Eglise catholique a répondu avec plus ou moins de bonheur cette difficile coexistence Privilege d'abord le combat spirituel et la paix de Dieu elle s'est laissée entraîner dans l'aventure de la guerre sainte au temps de la chrétienté médiévale puis dans celle de la guerre juste au temps des monarchies et des nations L'ambiguïté de cette position clatée en 1914-1918 quand les clergés rivalisant de zèle guerrier nationaliste restent sourds aux appels du pape Les tueries de la Première Guerre mondiale firent réagir les théologiens mais la prise de conscience fut lente L'âge atomique qui est aussi celui du déchaînement des nationalités pose à l'Eglise un nouveau défi Son discours est cependant loin d'être unanime si Jean Paul II au lendemain de la guerre du Golfe neuf siècles après l'appel d'Urbain II la croisade a proclamé qu'il ne peut y avoir de guerre sainte le Catéchisme de l'Eglise catholique continue à affirmer le principe de la guerre juste Georges Minois est historien des mentalités religieuses et des rapports entre la pensée chrétienne la culture et les pouvoirs thémes qu'il a traités dans de nombreux ouvrages comme *L'Eglise et la science* 2 vol *Le Confesseur du roi Histoire des Enfers* avant d'aborder le sujet de la guerre dans un *Du Guesclin Guerre juste et juste paix* Louis Le Fur, 1920 *Justice et droits à l'échelle globale* Stéphane Chauvier, 2006 Si l'émergence d'une société mondiale appelle la construction d'un ordre politique et juridique de même extension il semble peu probable que cet ordre finisse par prendre la forme d'un Etat mondial Faut-il pour autant s'en plaindre et considérer les diverses formes d'organisations interétatiques qui se forment ici et là comme de simple pis aller Ne peut-on au contraire trouver des vertus au maintien de l'échelon politique de la vie sociale et chercher par là même à concevoir un ordre global juste et bon qui n'oblige ni au sacrifice de la liberté politique ni au renoncement aux idéaux cosmopolitiques Ne peut-on à l'instar de Rousseau dans le Contrat social trouver une forme d'association politique et juridique globale qui défende et protège de toute la force commune la personne et les biens de chaque citoyen du monde mais dans laquelle chacun puisse continuer de jouir de sa liberté politique domestique L'objet de cet ouvrage est d'esquisser au travers de la discussion de six problèmes précis soulevés par la mondialisation la forme d'un ordre global décentralisé capable d'allier liberté politique et cosmopolitisme concret *The Catholic Historical Review*, 1926 *The Dublin Review* Nicholas Patrick Wiseman, 1916 *Le Progrès civique*, 1928 **The Dublin Review**, 1916 **Bulletin de la Société Gratry**, 1907 *Le meilleur des mondes*, 2006 **Wiseman Review**, 1916 *La nécessité en droit international* Sarah Cassella, 2011-05-06 La Commission du droit international après avoir longuement hésité a inscrit l'état de nécessité dans sa codification de la responsabilité des états en tant que circonstance excluant l'illicé L'objet de cette étude est de démontrer qu'il s'agit d'un mécanisme beaucoup plus diffus et fondamental du droit international intimement liés caractéristiques propres Il a comme fonction la limitation des obligations substantielles des états lors de la survenance d'un fait condition la situation de nécessité afin d'éviter que l'application du droit ne génère un coût social excessif Sa réalisation requiert

toujours une pondération des intérêts en conflit Seulement lorsqu'un coût social excessif ne peut être évité l'état de nécessité intervient dans le cadre des obligations secondaires de la responsabilité internationale en tant que circonstance atténuante After much hesitation the International Law Commission codified the state of necessity as a circumstance precluding wrongfulness in the field of State responsibility This study aims to demonstrate that it is a much wider mechanism essential to international law and strictly connected to its own characteristics It performs the function of limiting the substantial obligations of States in case of the realization of a fact condition a situation of necessity in order to avert an excessive social cost born out of law implementation It always works through a balance of conflicting interests Only when a social cost cannot be avoided the state of necessity under the features of a mitigating circumstance enters the field of secondary obligations relating to international responsibility
