Revisiting Centres and Peripheries in Iberian Studies Mark Gant, 2019-08-05 Like its predecessor and companion volume *New Journeys in Iberian Studies* this volume gathers fresh and emerging research in a range of sub fields of Iberian

studies from an international range of established academics and early career researchers The book provides rich evidence of the breadth and depth of new research being carried out in the dynamic field of Iberian studies at present As the title suggests a strong thread running through the collection is concerned with investigating the multiple spaces of tension between the centre and periphery that comprise the Iberian cultural system Topically the current situation in Catalonia naturally comes to the fore in a number of chapters and from a range of perspectives However in the revisiting of a range of cultural products and historical processes undertaken by the contributors it can be seen that transoceanic postcolonial relations are not neglected and concerns with history memory and fiction also weave their way through their work

Practice Dan Bellm, 2008 Poetry LGBT Studies Dan Bellm's third book of poems takes as its starting point the Jewish practice of studying weekly portions of the Torah the first five books of the Hebrew Bible in an annual cycle Working in the midrashic tradition imaginatively explaining or expanding a Biblical text often well beyond its literal meaning the poems offer meditations on faith doubt yearning family ties love and loss and the age-old roots of modern-day war In PRACTICE we see a poet of extraordinary range and formal versatility whose sonnets villanelles prose poems and lyric inventions engage both the imagination and the heart These poems are at once accessible and complex deeply personal and profoundly universal Reading Dan Bellm's poems I think This is blessing I think of Auden saying In the deserts of the heart Let the healing fountain start I am in awe of how Bellm's poems perform a dance with and against Holy Scripture And I keep coming back to his lines about the way the body addresses the soul lending it shape lending it comfort and sorrow PRACTICE is like a long prayer of wonder gratitude pain and loss and tenderness Alicia Ostriker Something happened to Dan Bellm in this third book that I believe will propel him most deservedly as one of the foremost poets of his generation Here speaking the language of the prophets revising it in a way that is both humble and heartbreakingly playful Bellm achieves a quiet grandeur that casts a spell and does not let me be I love PRACTICE as a book-long sequence of parables prayers elegies and incantations that are traditional and yet utterly contemporary In assembling this formal collection Bellm teaches us We are living in Biblical times Ilya Kaminsky
