La Bible Damiens:

On Reading Ruskin Marcel Proust, 1989-07-01 Early in his career Marcel Proust who greatly admired John Ruskin published translations of two works by the English critic La Bible d Amiens 1900 and Sesame et les Lys 1906 He wrote a substantial preface to each book and provided discursive notes that were themselves often small essays Rare now even in their French versions the preface to La Bible d Amiens and the notes to both books have never before been available in English In bringing them together with the preface to Sesame et les Lys this new book completes the translation into English of the important critical writings of Proust Expertly edited and translated and introduced by a brilliant forty page essay and a fascinating bibliographical note by Richard Macksey It is an event for celebration Proust emerges from these essays and notes as one of the truly great critics Gabriel Josipovici Times Literary Supplement A welcome addition to English language Proust texts and I think one long overdue Germain Bree Kenan Professor Emerita Wake Forest University [Proust as Interpreter of Ruskin](#) Cynthia J.
