The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Congress Catalog** Library of Congress, 1970 A cumulative list of works represented by Library of Congress printed cards National Union Catalog, 1978 Includes entries for maps and atlases The Reference Catalogue of Current Reference Catalogue of Current Literature ,1920 Literature .1921 The Publishers Weekly ,1907 **Dictionary** Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library.
