La justice transitionnelle. De l'Afrique du Sud au Rwanda Kora Andrieu, 2013-01-29T00:00:00+01:00 Premi re dition **Transitional Justice Theories** Susanne Buckley-Zistel, Teresa Koloma Beck, Christian Braun, Friederike Mieth, 2013-10-30 Transitional Justice Theories is the first volume to approach the politically sensitive subject of post conflict or post authoritarian justice from a theoretical perspective It combines contributions from distinguished scholars and practitioners as well as from emerging academics from different disciplines and provides an overview of conceptual approaches to the field The volume seeks to refine our understanding of transitional justice by exploring often unarticulated assumptions that guide discourse and practice To this end it offers a wide selection of approaches from various theoretical traditions ranging from normative theory to critical theory In their individual chapters the authors explore the concept of transitional justice itself and its foundations such as reconciliation memory and truth as well as intersections such as reparations peace building and norm compliance This book will be of particular interest for scholars and students of law peace and conflict studies and human rights studies Even though highly theoretical the chapters provide an easy read for a wide audience including readers not familiar with theoretical investigations **Les poursuites pénales en période de justice transitionnelle et réconciliation au Mali** Issa Doumbia, 2022-10-04 Cet ouvrage traite de la problématique des poursuites pénales et de la réconciliation dans le processus de justice transitionnelle JT au Mali La justice tant un pilier important de ce processus son action présente des effets pacificateurs dans les situations de crise ou de conflit marquées par des violences continues comme au Mali Ainsi l'analyse de la situation malienne conduit inéluctablement à douter de la capacité de la justice poursuivre efficacement les auteurs présumés des crimes commis durant le conflit armé dans ce pays tant cette justice reste minée par des difficultés structurelles et conjoncturelles se répercutant sur la conduite des poursuites engagées ou engagées contre les auteurs des crimes internationaux graves commis au Mali Contribution des savoirs locaux à l'éthique, au politique et au droit Ernest-Marie Mbonda, Dany Rondeau, 2015-11-03T00:00:00-05:00 Le présent ouvrage analyse la contribution des savoirs locaux la pensée éthique politique et juridique contemporaine Croissant depuis les années 1960 l'intérêt pour les savoirs locaux a porté presque exclusivement sur les savoirs de type scientifique et technique agriculture pécherie médecine biodiversité et très peu sur les savoirs du domaine des sciences humaines Les textes réunis dans cet ouvrage ont été rédigés pour un projet de recherche interuniversitaire Nord Sud financé par l'Agence universitaire de la francophonie Ils tracent un premier état des lieux théorique et pratique de la contribution des savoirs locaux et examinent les perspectives qui s'en dégagent La première partie aborde les enjeux et les questions de définition de conceptualisation et de légitimation et analyse les défis que pose leur transmission La seconde partie présente la contribution de certains savoirs locaux la compréhension des politiques du pardon de la justice transitionnelle de la justice intergénérationnelle et se termine par une analyse de la circulation des savoirs locaux **Rule of Law through Human Rights and International Criminal Justice**

Charles Riziki Majinge, 2015-10-05 This project was undertaken not so much as a farewell to the contribution Adama Dieng has selflessly offered to humanity but mainly as a token of appreciation to his dedication and contribution to the rule of law and human rights especially in his native continent Africa As a high ranking international civil servant diplomat teacher activist and accomplished jurist Adama Dieng has inspired and indeed continues to inspire a generation of men and women both in Africa and beyond with his unqualified commitment to the advancement of the ideals reflected in the United Nations Charter and the Universal Declaration of Human Rights Through his work and commitment to the cause of international justice and conflict prevention he has consistently placed the interests of his fellow men and women and indeed those of his continent before his own interests It is therefore in recognition of his efforts that his fellow jurists friends and colleagues decided to honour his contribution through a collection of essays on a life dedicated to the advancement of international peace and justice through the rule of law The contributions gathered here represent in good measure the values and beliefs in rule of law and human rights that have characterized Adama's commitment to work towards a better Africa and a better world
