Le Chemin: Wholly Following the Path of Jesus Cordell P. Schulten, 2019-08-30 There is a longing within every human to know what it is to live fully so that when we come to die we do not discover that we have not truly lived But what is the path this longing calls us to follow What is God s plan for human existence Is it only to provide us with a future hope that we will continue to live after we depart this earth Is the essential question Where will I spend eternity Or is the fundamental query something quite different Could it be that the primary purpose for which God gave His Son Jesus Christ to die was that his human creatures might live fully and completely in the present This book will guide you along the path LE CHEMIN to purposeful living here and now a path you may begin to follow today
