Le Judaïsme Antique:

L'herméneutique analogique du Judaïsme antique d'après les témoins textuels d'Isaïe Jean Koenig, 2015-02-04

Le Judaïsme et le Christianisme antique Marcel Simon, André Benoît, 1994 Il n'est sans doute pas excessif de dire que la période dont traite ce livre représente dans l'histoire religieuse du monde occidental une période décisive **Le judaïsme et le christianisme antique d'Antiochus Epiphane à Constantin** Marcel Simon, André Benoît, 1991 Josephus and Jewish History in Flavian Rome and Beyond Joseph Sievers, Gaia Lembi, 2005-09-01 The essays in this volume focus on the relationship between Josephus Judean and Jewish identity on the one hand and his life and writings in the context of Flavian Rome on the other From very different points of view the various contributions to this volume which is the fruit of an international colloquium entitled Josephus between Jerusalem and Rome held in the city of Rome in 2003 shed light on the complex cultural interplay in Josephus writings After examining more general historiographical and literary questions the volume proceeds to address specific issues of Josephus presentation of Judaism and of historical data inter alia about the war of 66-70 CE A final section deals with the translation and transmission of his works *Islam and its Past* Carol Bakhtos, Michael Cook, 2017-06-03 Islam and its Past J. H. J. H. Late Antiquity and the Qur'an brings together scholars from various disciplines and fields to consider Islamic revelation with particular focus on the Qur'an The collection provides a wide ranging survey of the development and current state of Qur'anic studies in the Western academy It shows how interest in the field has recently grown how the ways in which it is cultivated have changed how it has ramified and how difficult it now is for any one scholar to keep abreast of it Chapters explore the milieu in which the Meccan component of the Qur'an made its appearance The general question is what we can say about that milieu by combining a careful reading of the relevant parts of the Qur'an with what we know about the religious trends of Late Antiquity in Arabia and elsewhere More specifically the issue is what we can learn in this way about the manner in which the polytheists of the Qur'an related to the Jewish and Christian traditions were they Godfearers in the sense familiar from the study of ancient Judaism It looks at the Qur'an as a text of Late Antiquity not just considering those features of it that could be seen as normal in that context but also identifying what is innovative about it against the Late Antique background Here the focus is on the believers rather than the polytheists The volume also engages in different ways with notions of monotheism in pre-Islamic Arabia This collection provides a broad survey of what has been happening in the field and concrete illustrations of some of the more innovative lines of research that have recently been pursued **Le judaïsme antique** Max Weber, 2010-01-06 T00:00:00+01:00 Le Judaïsme antique 1917-1918 qui fait partie de la série des grandes études de sociologie des religions de Max Weber décrit avec force deux virements décisifs de l'histoire religieuse la berceuse l'alliance conclue par Dieu avec le peuple d'Israël et l'émergence d'un discours la porteur fulgurant la prophétie de malheur L'intimité de Max Weber avec le monde de l'Ancien Testament porte ce texte dont les analyses magistrales font pendant à celles de Luther protestante et l'esprit du capitalisme Une présentation et
