## Le Dit De Tianyi:

**Le Dit de Tianyi** François Cheng, 2012-11-01 Lors d'un voyage en Chine l'auteur retrouve le peintre Tianyi qui lui remet ses confessions crites L'homme a vu les années 30 et 40 dans une Chine en plein bouleversement où l'héritage culturel gardait pourtant sa force et sa diversité colorée Il a ensuite passé plusieurs années en Europe durant lesquelles il a connu la misère mais aussi découvert une autre vision de l'art et de la vie son retour dans son pays soumis aux soubresauts révolutionnaires il y recherche les deux trésors qui lui sont le plus chers Yumei l'amante et Haolang l'ami fraternel qui l'avaient tant marqué Dès lors il sera pris sans pouvoir y échapper dans un enchaînement de drames atteignant des dimensions insoupçonnées François Chengcrivain poète traducteur et auteur d'essais sur l'art et la poésie nous donne l'un des textes d'une sensibilité peu commune chappant toute loi de genre Le Dit de Tianyi est la fois un roman d'apprentissage un témoignage personnel avec l'histoire pour toile de fond et une vision singulière de l'Occident dans les années 50 notamment de Paris lieu d'expérience exceptionnelle C'est aussi le récit d'une quête proprement spirituelle qui interroge avec passion le mystère du destin Une oeuvre géniale au confluent des cultures chinoise et occidentale

China From Where We Stand Kate Rose, 2016-04-26 What is Comparative Sinology China from Where We Stand brings together powerful diverse voices to define the boundaries and possibilities of this new field providing a range of perspectives insider outsider and in between with China at the center This exemplifies a new China progressive outward looking yet reflective Comparative Sinology studies how China has been studied In today's global world of hybrid hyphenated identities such studies cannot be confined to how non Chinese study China What does it mean to be Chinese Where does it start Where does it end Like the related disciplines of China Studies and National Studies Comparative Sinology is interdisciplinary Though the four parts of this book represent Philosophy Literature History and Culture all articles could fit in at least two of these categories This book redefines the boundaries of traditional academic study including the subject position as it is essential when trying to understand China and its place in the world today to look at the place of each one of us Personal connections may be explicit or implicit but every author here is passionate and personally connected to the work that he or she does and to China's future The practical and intellectual possibilities of this discipline are vast and varied and this book offers a potential springboard for such ideas

Proust, China and Intertextual Engagement Shuangyi Li, 2017-08-25 The book traces the literary journey that Proust's work made to China and back by means of translation intertextual engagement and the creation of a transcultural dialogue through migrant literature It begins with a translation history of Proust's work in China and studies the different retranslations and editions of La Recherche highlighting their culturally conditioned thematic emphases and negligence such as time and memory over anti-Semitism and homosexuality The book then moves on to explore three contemporary mainland Chinese writers creative intertextual engagement with Proust against the backdrop of China's explosive development from modernity to post modernity in the 1990s Finally back to France the book examines the multifarious literary relations between Proust and the

Franco Chinese migrant writer Fran ois Cheng It demonstrates how the cultural heritages of China and the West can be re negotiated and put into dialogue through the fictional and creative medium of literature as well as providing a means of understanding the economic political and cultural exchanges in our current global context

**Multilingual Literature as World Literature** Jane Hiddleston, Wen-chin Ouyang, 2021-05-06 Multilingual Literature as World Literature examines and adjusts current theories and practices of world literature particularly the conceptions of world global and local reflecting on the ways that multilingualism opens up the borders of language nation and genre and makes visible different modes of circulation across languages nations media and cultures The contributors to Multilingual Literature as World Literature examine four major areas of critical research First by looking at how engaging with multilingualism as a mode of reading makes visible the multiple pathways of circulation including as aesthetics or poetics emerging in the literary world when languages come into contact with each other Second by exploring how politics and ethics contribute to shaping multilingual texts at a particular time and place with a focus on the local as a site for the interrogation of global concerns and a call for diversity Third by engaging with translation and untranslatability in order to consider the ways in which ideas and concepts elude capture in one language but must be read comparatively across multiple languages And finally by proposing a new vision for linguistic creativity beyond the binary structure of monolingualism versus multilingualism

**Travel, Translation and Transmedia Aesthetics** Shuangyi Li, 2022-01-03 This book examines the works of four contemporary first generation Chinese migrant writer artists in France Fran ois CHENG GAO Xingjian DAI Sijie and SHAN Sa They were all born in China moved to France in their adulthood to pursue their literary and artistic ambitions and have enjoyed the highest French and Western institutional recognitions from the Grand Prix de la Francophonie to the Nobel Prize in Literature They have established themselves not only as writers but also as translators calligraphers painters playwrights and filmmakers mainly in their host country French has become their dominant but not only language of literary creation except for Gao yet linguistic idioms poetic imagery and classical thought from Chinese cultural heritage permeate their French texts and visual artworks reflecting a strong translingual and transmedial sensibility The book provides not only distinctive literary and artistic examples beyond existing studies of intercultural encounter French postcolonial and Chinese diasporic enquiries more importantly it formulates a theoretical model that captures the creative dynamics between the French francophone and Chinese sinophone spaces of articulation thereby contributing to contemporary debates about literary and artistic production interpretation and circulation in the global development of comparative world literature as well as intermediality studies

**Sounds Senses** Yasser Elhariry, 2021 Sounds Senses takes sound as a point of departure for engaging the francophone postcolonial condition Offering a synthetic overview of sound studies the book dismantles the oculocentrism and retinal paradigms of francophone postcolonial studies It introduces two primary theoretical thrusts the unheard and the unintegrated to the project of analyzing extending and rejuvenating francophone postcolonial studies
