accepted 18 papers resulting in a competitive 15.8% acceptance rate. There were over 335 individual authors from 27 countries coming from a wide range of disciplines and from both academic and industrial organizations. Papers were selected solely on the quality of their peer reviews using a double blind review process. The review process was carried out by 38 members of the international Technical Program Committee (TPC) who are experts of international standing. The TPC members were aided by 104 external reviewers. It was a rigorous review process in which each paper had at least four reviews: three reviews provided by the Committee members and one review written by an external reviewer. The reviews were followed by a substantive deliberation on each paper during an electronic discussion phase before the start of the Committee meeting.
