

Q3. Study Sources D and E. How similar are Sources D and E about the League of Nations' actions over Corfu? Explain your answer using details from the sources. (8 marks)

Both sources discuss the League of Nations' actions during the Corfu Crisis. Source D, written by Lord Robert Cecil, highlights the League's efforts to resolve the dispute, though with differing perspectives on its effectiveness. Source E states that the League's actions were limited, showing its active role in maintaining peace.

Q4. Study Source B. How useful is this source to a historian studying the League of Nations? (8 marks)

Source B is useful to a historian studying the League of Nations as it highlights the League's reliance on moral persuasion rather than military or economic power. It depicts the League's limited enforcement mechanisms, represented by the scale, as ineffective in resolving the dispute. This reflects a real limitation of the League, which relied on collective action, rather than a standing army, to maintain peace. The cartoon also serves as a critique of the League's perceived weakness in the face of aggression, such as the Italian invasion of Corfu.

Q1. Study Source A. What is the message of the cartoon? (8 marks)

The main message of the cartoon is that, despite being often clumsy and cumbersome in its approach to dealing with conflicts, the League of Nations is capable of preventing violence and direct conflict on a small scale, such as the Bulgarian Crisis of 1923. This is shown through the depiction of Greece and Bulgaria as Tweedledum and Tweedledee, two children from Alice in Wonderland who are always arguing and who are known for their foolishness. This symbolises the petty and unnecessary nature of their conflict, which was not ultimately a great threat to the stability of Europe.

Q4. Study Source F. Are you surprised by this source? Explain your answer using details of the source and your knowledge. (7 marks)

Source F is a cartoon depicting the League of Nations' actions over Corfu. It shows the League's actions as being limited and ineffective, with the League's actions being described as 'very successful'.

Q3. 'The League was very successful in the 1920s. How far do these sources support this statement?' (8 marks)

Several sources support the view that the League was very successful in the 1920s. Source D, written by Lord Robert Cecil, highlights the League's actions over Corfu, stating that the League 'achieved' its aim of securing peace. Source E, a cartoon, depicts the League's actions as being limited and ineffective, with the League's actions being described as 'very successful'. Source F, a cartoon, depicts the League's actions over Corfu, showing the League's actions as being limited and ineffective, with the League's actions being described as 'very successful'. Source G, a cartoon, depicts the League's actions over Corfu, showing the League's actions as being limited and ineffective, with the League's actions being described as 'very successful'.
