Eliaana Ramage, 2025-09-02 A REESE'S BOOK CLUB PICK A breathtaking debut about family, identity, and love across generations. REESE WITHERSPOON Eliaana Ramage will break your heart and take you to the stars. From painfully accurate depictions of adolescence to effortless jumps through time and space, I loved it all. KILEY REID In this dazzlingly powerful story of family, ambition, and belonging, one young woman's obsessive quest to become the first Cherokee astronaut irrevocably alters the fates of the people she loves most. My mother took my sister and me, and she drove through the night to a place she felt a claim to, a place on earth she thought we might be safe. I stopped asking questions. I picked little glass pieces from my sister's hair. I watched the moon. Steph Harper is on the run. When she was five, her mother fled an abusive husband with Steph and her younger sister in tow to Cherokee Nation, where she hoped they might finally belong. In response, Steph sets her sights as far away from Oklahoma as she can get, vowing that she will let nothing get in the way of pursuing the rigorous physical and academic training she knows she will need to be accepted by NASA and ultimately to go to the moon. Spanning three decades and several continents, *To the Moon and Back* encompasses Steph's turbulent journey along with the multifaceted and intertwined lives of the three women closest to her: her sister Kayla, an artist who goes on to become an Indigenous social media influencer and whose determination to appear good takes her life to unexpected places; Steph's college girlfriend Della Owens, who strives to reclaim her identity as an adult after being removed from her Cherokee family through a challenge to the Indian Child Welfare Act; and Hannah, Steph and Kayla's mother, who has held up her family's tribal history as a beacon of inspiration to her children all the while keeping her own past a secret. In Steph's certainty that only her ambition can save her, she will stretch her bonds with each of these women to the point of breaking at once, betraying their love and generosity and forcing them to reconsider their own deepest desires in her shadow. Told through an intricately woven tapestry of narrative, *To the Moon and Back* is an astounding and expansive novel of mothers and daughters, love and sacrifice, alienation and heartbreak, terror and wonder. At its core, it is the story of the extraordinary lengths to which one woman will go to find space for herself. **Desired** Stacey Kennedy, 2014-07-22 From USA Today bestselling author Stacey Kennedy comes a seductive, electrifying novel of *Club Sin*, where fantasy becomes reality.
