going to scare him off he said his tone muted I told you to be tactful I don't do tact Colin retorted For a moment my discomfort was shoved aside by my growing curiosity What did you need to be tactful about I asked injecting myself into their argument I didn't know why It was like I'd crossed a boundary I didn't expect to and now the boundary didn't matter Logan and I wanted to invite you to join our shoot Colin replied gesturing towards the contents of the room Belatedly I noticed a video camera mounted on a tripod and it had been positioned to film everything that happened on a stage that looked like a really upscale bedroom There was a giant four poster bed that took up most of the space with a couple of wooden nightstands attached and a cream shag carpet was stretched over the floor Our original third member quit at the last minute Colin was saying as I turned back to him Something about his finals being more important His eyes narrowed on me in a look that made my skin shiver I think he ran away because he was too scared to see this through The pieces were starting to fit together and I wasn't sure how I felt about the picture it formed Without thinking I blurted out Are you asking me to be that guy's replacement in a threesome video Logan and Colin exchanged quick indecipherable glances Logan nodded I was going to earlier but you seemed I mean Yeah pretty much My stomach was churning in trepidation and I was convinced the back of my neck was on fire I'm not gay I told them bluntly How am I supposed to take someone's place in a gay video when I'm straight Colin raised an eyebrow at me
