Some people provide money, some people provide brain power, and rest people provide hard work. In this way, all types of people should get the benefit of improvement of economics, but due to politics, a rich person who provides their money receives most of the benefits of improvement of economics. Rest benefits are divided between a person who provides their brain power and hard work. But here, more benefit is taken by a person who provides brain power, thus no benefit and no improvement of that class who provide their hard work. *Cpc Certification Study Guide* Trivium Test Prep, 2013-12.
