Exploring Macroeconomics, 6th Edition Robert L. Sexton, Colin C. Kovacs, Peter N. Fortura, 2023-01-27 Exploring

Macroeconomics Sixth Canadian Edition offers students a lively approach designed to take the intimidation out of economics. With its short self-contained learning units and its carefully chosen pedagogy, graphs and photos, this text helps students master and retain the basic principles of economics. In addition, the current events focus and modular format of presenting information makes Exploring Macroeconomics a very student-accessible and user-friendly text. Robert Sexton's section-by-section approach is designed to encourage economic literacy and help students appreciate how economics impacts both business and daily life. Sexton helps students build a solid understanding of economic principles by engaging them from the outset and providing them with multiple points of practice.

Macroeconomics David C. Colander, Douglas Copeland, Jenifer Gamber, 2005-07. Written by David Colander, Jenifer Gamber and Douglas Copeland, the 6th Edition Study Guide combines the best of the previous edition's workbook and study guide. It is designed for courses that emphasize basic knowledge of text material. A preface helps students prepare effectively for exams using the text, lecture notes and the study guide. For each text chapter, this comprehensive learning resource includes Chapter at a Glance, Matching Terms and Concepts, Problems and Exercises, and Short Answer and Multiple Choice Questions with Answers to reinforce both text content and classroom lectures. Five pre-tests test knowledge of groups of related chapters.

Macroeconomics Roger A. Arnold, 2001. Offering a unique blend of solid theoretical content and student accessibility, this text stands apart with its emphasis on intriguing applications that convey the prevalence of economics in everyday life. By applying economics to a phenomenon that students are familiar with and interested in, this book demonstrates like no other text how economic analysis can be applied to virtually anything of interest, thus helping students develop true economic intuition. Additional student-oriented features include a unique active learning format, an emphasis on developing economic analysis skills, and an outstanding visual program for exhibits and graphs. Content highlights include balanced presentation of major macro theories, a micro presentation that centers around the trilogy of objectives, constraints and choices, thorough integration of international topics, and fully integrated Internet features that offer hands-on exercises for exploring economics online. Macroeconomics 5e is also available in a micro split, and both micro and macro are in the principles text.
