Jeremy Shockey • Tight End (TE)

Showcase Plays for Shockey

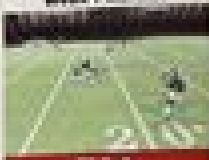

Singleback Teal TE

Play Action

Shockey spends the first moments of this play engaged in a block. With the TE in, the defense is likely to forget about him as a potential pass target. That's when Shockey releases late across the middle. There's your opportunity.

Weak TE Normal

TE Fails

Shockey breaks off the line and runs a diagonal toward the far sideline for fear if you lose a block. If it's against a pass-defense, his angular path will provide a few different openings to throw the ball. Simplest move, watch him get a couple of steps on his defender, and punt it out there.

Showcase Plays for Stewart

TE Normal

This is a great play as first and ten. If the defense is geared up to let the pass the pass, Stewart will find his way down the sideline. The route takes a bit to the outside near the end, so be prepared to adjust to the ball.

Weak Flood

Stewart lines up in the slot here, potentially causing some confusion for the defense. At the snap, he'll cross the field from left to right as Shockey cuts right to left. With two top threats cutting through the same area, the defense will be on its heels. Not Stewart for a second game.
