Made In Europe Pieter Steinz:

Literary Prizes and Cultural Transfer Petra Broomans, Mathijs Sanders, Jeanette den Toonder, Elise Bijl, 2022-02-05
Literary Prizes and Cultural Transfer addresses the multilevel nature of literary and translation prizes with the aim of expanding our knowledge about them as an international and transnational phenomenon. The contributions to this book analyse the social, institutional and ideological functions of such prizes. This volume not only looks at famous prizes and celebrities but also lesser known prizes in more peripheral language areas and regions with a special focus on cultural transmitters and their networks which play a decisive role in the award industry. Cultural transfer and translations are at the heart of this book and this approach adds a new dimension to the study of literary and translation prizes. The contributions reveal the diverse ways in which a cultural transfer approach enhances the study of literary prizes, presenting the state of the art regarding recent developments in the field. Articles with a broader scope discuss definitions, concepts and methods while other contributions deal with specific case studies. A variety of theoretical and methodological approaches are explored applying field theory, network analysis, comparative literature and cultural transfer studies. By providing multiple perspectives on the literary prize, this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon.

Made in Europe Pieter Steinz, 2014-06-21
De Griekse tragedie, de Russische roman, de Italiaanse cinema en de Duitse Romantiek. Bach, Monty Python, Chanel en Brancusi. Europa is meer dan crisis in de eurozone en regelzucht vanuit Brussel. Wat bindt Europa werkelijk? Welke culturele verworvenheden zijn typisch Europees en maken de Europeaan trots? In *Made in Europe* verdiept Pieter Steinz zich in het culturele DNA van ons continent. Aan de hand van 104 essays in pilvorm en evenzovele kleine vignettes maakt hij een rondreis langs de belangrijkste halteplaatsen van de Europese cultuur: van de Ierse manuscripttraditie tot de Roemeense Draculamythe en van de mazurka's uit Polen tot de bruggen van Calatrava. Het resultaat is een culturele reisgids en een Europese kunstgeschiedenis in één. Een heel heel bijzonder boek.
Tommy Wieringa: Een Greatest Hits van dingen die ons troosten en verbinden.
Jet Bussemaker: Opvallend is de puntigheid waarmee Steinz in zijn mini essays razendsnel tot de essentie komt: een feest om te lezen.
Dirk Leyman: Dit boek heb ik verstandig gelezen.
Een helder, slim, intelligent mozaiek.
Matthijs van Nieuwkerk: Rijke en unieke caleidoscoop van ons continent.
Geert Mak: Het enthousiasme van de auteur spat van elke pagina.
Thierry Baudet: Het sterke en onderscheidende van Steinz in *Made in Europe* is dat hij een netwerk van cultuur laat ontstaan.
Carel Peeters: *Made in Europe* laat zien hoe cultuur werkt: een complex en oneindig web van kruisbestuivingen, een proces van wederzijdse bevestigingen en inspiratie.
Bas Heijne: Het is de cultuur van Europa uitgewaaierd over de wereld, tot leven gebracht en geordend zoals ze in het hoofd van een ware liefhebber staan.
Robbert Dijkgraaf: Een indrukwekkende rondgang, helder en vaardig geschreven, tjokvol treffende analogieën.
Hans Cotton: Pieter Steinz heeft de essentie van Europa in een boek gestopt. Niet het Europa van Brussel, maar het Europa van de mensen.
Frans Timmermans: Lezen met ALS Pieter Steinz, 2015-09-01
Literatuurliefhebber Pieter Steinz kreeg in

de zomer van 2013 te horen dat hij ALS had en dat de kwaliteit van zijn leven snel zou afnemen Een half jaar later begon hij in NRC Handelsblad een rubriek waarin hij het verloop van zijn ziekte verbond met de boeken die hij las of herlas In Lezen met ALS beschrijft Steinz even direct als humoristisch zijn lichamelijke aftakeling en de daarbij behorende gang door de medische instituties Literaire klassieken zijn het uitgangspunt voor bespiegelingen over onmacht afscheid berusting pijn en ook over de mooie dingen die een dodelijke ziekte met zich meebrengt Lezen met ALS is niet alleen een ontroerende kroniek van een aangekondigde dood maar ook een onverwachte kijk op het werk van de grote schrijvers uit de wereldliteratuur Het meest persoonlijke boek van de auteur van Made in Europe en Steinz **De Duivelskunstenaar** Pieter Steinz, 2016-03-11

Dodenbezweerder sterrenwichelaar alchemist _ Johannes Faust 1480 1540 was van alle markten thuis Maar het was zijn pact met de duivel dat hem tot een van de geliefdste personages in het theater en de literatuur maakte Een levenslange fascinatie voor de Duitse magi r zette Pieter Steinz aan tot een reis door de tijd en door Europa op zoek naar de ziel van Faust Wat weten we over zijn leven In welke Nederlandse kastelen spookte hij rond Waarom lieten zo veel schrijvers en kunstenaars zich door hem inspireren Hoe werd hij misbruikt door dominees patriotten communisten en nazi s En wat heeft hij ons vandaag de dag nog te zeggen Pieter Steinz 1963 is journalist literair criticus en auteur Van 2012 tot 2015 was hij directeur van het Nederlands Letterenfonds Tot zijn recentste boeken behoren Made in Europe De kunst die ons continent bindt Steinz Gids voor de wereldliteratuur met Jet Steinz en Lezen met als Literatuur als levensbehoefte Een gedegen en goed geschreven boek dat voor een belangrijk deel reisreportage is de Volkskrant Aanstekelijk en handzaam Het Parool
