Mademoiselle de Maupin Theophile Gautier,

Mademoiselle de

Maupin Theophile Gautier,2013-01-01 Theophile Gautier s masterpiece Mademoiselle de Maupin might be better known for its lengthy preface than the actual novel itself It is there in which the author discusses art for art s sake arguing that everything useful is ugly The novel itself is a historical romance based on the life of French opera star Julie d Aubigny better known as Mademoiselle Maupin The subject of gossip and many colorful stories during her time Mademoiselle Maupin was known as a first rate swordswoman who often disguised herself as a man In Mademoiselle de Maupin we find a love triangle between Chevalier d Albert a young French Gentleman who struggles with finding a woman that meets his idealistic expectations Rosette whom he engages in an affair with to ease his boredom and the dashing young Theodore who is actually Maupin disguised as a man Mademoiselle de Maupin is an excellent example of the French historical romance which in its time was considered somewhat controversial for its sexually orientated themes by today s standards however it would be considered quite tame **Mademoiselle De Maupin** Théophile Gautier,François-Xavier Le Sueur,Édouard
