An Indelible History Alejandro Casas, 2025-05-08 For centuries the religious landscape of the Caribbean has been examined through the lens of African and European influences often overlooking the full extent of the enduring contributions made by the region's first peoples *An Indelible History* challenges this historical omission offering the first comprehensive exploration of Amerindian religious influence on Afro Caribbean traditions with a particular focus on Palo Monte Drawing on historical archives oral traditions and decolonial theory Alejandro Casas unveils the hidden intersections between African derived religions and Amerindian spiritual beliefs and practices From sacred tobacco rituals to geomantic symbols and ancestral veneration this book repositions Indigenous Caribbean agency at the heart of the region's religious transformations More than a historical study *An Indelible History* reveals how these suppressed traditions persist adapt and continue to shape contemporary Afro Caribbean spirituality in ways often unrecognized By recovering these forgotten histories Casas not only rewrites the past but also redefines the present demonstrating how cultural memory and spiritual resilience endure across generations Deeply researched yet accessible *An Indelible History* reclaims a forgotten chapter of the Caribbean's spiritual past and highlights its lasting influence on Afro Caribbean religious traditions today This is a must read for scholars practitioners and anyone interested in the complex cultural entanglements that continue to shape Afro Caribbean religious traditions

Cambio 16, 2002-11 *Unseen Flesh* Nessette Falu, 2023-08-25 In *Unseen Flesh* Nessette Falu explores how Black lesbians in Brazil define and sustain their well being and self worth against persistent racial sexual class and gender based prejudice Focusing on the trauma caused by interactions with gynecologists Falu draws on in depth ethnographic work among the Black lesbian community to reveal their profoundly negative affective experiences within Brazil's deeply biased medical system In the face of such entrenched intersectional intimate violence Falu's informants actively pursue well being in ways that channel their struggle for self worth toward broader goals of social change self care and communal action

Demonstrating how the racist and heteronormative underpinnings of gynecology erase Black lesbian subjecthood through mental emotional and physical traumas Falu explores the daily resistance and abolitionist practices of worth making that claim and sustain Black queer identity and living Falu rethinks the medicalization of race sex and gender in Brazil and elsewhere while offering a new perspective on Black queer life through well being grounded in relationships socioeconomic struggles the erotic and freedom strivings
