

STAR PLAYERS

Jeremy Shockey • Tight End (TE)

Showcase Plays for Shockey

80

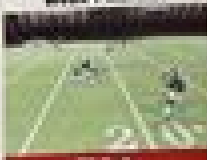

Singleback Teal TE

Play Action

Shockey spends the first moments of this play engaged in a block. With the TE in, the defense is likely to forget about him as a potential pass target. That's when Shockey releases late across the middle. There's your opportunity.

Weak TE Normal

TE Fails

Shockey breaks off the line and runs a diagonal toward the far sideline for fear if you lose a block. If it's against a pass-defense, his angular path will provide a few different openings to throw the ball. Simplest move, watch him get a couple of steps on his defender, and punt it out there.

Getting Acceleration
Action
Jammed

The Pro Bowl tight end is this power on the wing line. Shockey is designed to get the ball and let him use all three talents. As the wall of blockers develops, Chase's ability to take an inside shoulder would upfield. There's off to the stars.

Amari Stewart • Wide Receiver (WR)

Showcase Plays for Stewart

81

1 Form Normal

PA Channel

This is a great play as first and ten. If the defense is geared up to let the star WR, Stewart will lead his men deep down the sideline. The route takes a bit to the outside near the end, so be prepared to adjust to the ball.

1 Form Teal WR

Weak Flood

Stewart lines up in the slot here, potentially causing some confusion for the defense. At the snap, he'll cross the field from left to right as Shockey cuts right to left. With two top threats cutting through the same area, the defense will be on its heels. Not Stewart for a repeat game.

Getting Acceleration
Action
Jammed

The Giants' star receiver is loaded with experience. He's logged 1,000-plus rushing yards the past five seasons without missing a game. Stewart is a physical player who can overcome major teams, and get down field thanks to his strong running speed.
