Making Sense Of The Bible Adam Hamilton:

Making Sense of the Bible Adam Hamilton, 2014-03-18 Denominations from evangelical to mainline continue to experience deep divisions over universal social issues The underlying debate isn't about a particular social issue but instead it is about how we understand the nature of scripture and how we should interpret it The world's bestselling most read and most loved book is also one of the most confusing In *Making Sense of the Bible* Adam Hamilton one of the country's leading pastors and Christian authors addresses the hot button issues that plague the church and cultural debate and answers many of the questions frequently asked by Christians and non Christians alike Did God really command Moses to put gay people to death Did Jesus really teach that everyone who is not a Christian will be assigned to hell Why would Paul command women to keep silent in the church Were Adam and Eve real people Is the book of Revelation really about the end times Who decided which books made it into the scriptures and why Is the Bible ever wrong In approachable and inviting language Hamilton addresses these often misunderstood biblical themes leading readers to a deeper appreciation of the Bible so that we might hear God speak through it and find its words to be life changing and life giving

Adam Hamilton, Sally D. Sharpe, 2001-05-01 Christians are faced every day with daunting choices between difficult alternatives What does my Christian faith have to say about the moral issues that divide our society There are plenty of people on opposite sides of the spectrum claiming to know the will of God in these matters It is nonetheless very difficult to find help in looking at both sides of these ethical questions and applying the biblical witness to arrive at an authentically Christian belief about them This is precisely what Adam Hamilton proposes to do Presented as a collection of

sermons *Confronting the Controversies* includes euthanasia assisted suicide creationism abortion and homosexuality. Scrupulously fair to both the positions of each side and their motivations for holding them, Hamilton offers clear concise information on what is at stake in these explosive issues. Hamilton applies a careful broad reading of Scripture to offer direct yet compassionate guidance on what a faithful Christian response will be. This book is set up for group study with discussion questions at the end of each chapter.

Enough Adam Hamilton, 2012. Money has great power in our lives. Used wisely it is one key to accomplishing our goals providing for our needs and fulfilling our life purpose. In recent years many of us ignored the wisdom of the past when it came to managing and spending our money. Credit card debt soared savings rates plummeted and our home equity became something to be tapped into and spent rather than a source of security in retirement. We felt an insatiable desire for more. And we found ourselves spending tomorrow's money today in order to have what we hoped would satisfy. The result of all of this was not greater happiness and satisfaction but greater stress and anxiety. *Enough* is an invitation to rediscover the Bible's wisdom when it comes to prudent financial practices. In these pages are found the keys to experiencing contentment overcoming fear and discovering joy through simplicity and generosity. This book could change your life by changing your relationship with money. We Americans love our stuff. We're living in a fast paced me first instant gratification world and it's finally catching up to us. Debt is out of control homes are in foreclosure even banks are going out of business. What the world needs today is the message of contentment and simplicity and that's exactly what Pastor Adam Hamilton delivers in *Enough*. Dave Ramsey New York Times Best Selling Author and Nationally Syndicated Radio Talk Show Host. Once again Adam Hamilton is leading the church. *Enough* is enough was once a Wesleyan watchword. Adam breathes new life into the Wesleyan commitment to simplicity. Amid a culture of greed and conspicuous consumption Adam calls us to a biblically based evangelical joy of having the faith to say enough is enough. Bishop Will Willimon United Methodist Church Birmingham Area. I pay close attention to whatever Adam Hamilton writes. His books are

marked by extraordinary pastoral insight biblical and theological depth courage to speak the truth and down to earth practicality Enough comes like an antidote in the middle of a pandemic I hope that classes groups couples and individuals will use this book and the economic crisis it addresses as a challenge to get healthy again by deepening our discipleship in the vital area of money and possessions Brian McLaren Author Networker brianmclaren.net *Faith in The West Wing* David W.
