**Costing** Colin Drury, 2013-12-14

**Management Accounting** Don R. Hansen, Maryanne M. Mowen, 1997. The new edition of this successful text continues to cover both innovative and traditional topics in management accounting. However, by using the activity based framework and by integrating activity concepts throughout the text, students are shown that the traditional methods have limitations while the activity based approach is very advantageous. A full chapter on international issues also provides students with a well rounded view of management accounting around the world. Other items such as ethical conduct for management accountants, enhanced discussion of the value chain and cost behavior covered within an activity framework help future managers learn how they can use management accounting information for the betterment of the companies they will work for.

**Student Solutions Manual, Tenth Edition, Cost Accounting, a Managerial Emphasis** Charles T. Horngren, Srikant M. Datar, 2000. Designed for student use, this supplement contains fully worked out solutions for all of the even numbered questions and problems in the textbook. This may be purchased with the instructor's permission.
