Environmental Management Accounting and Supply Chain

Management Roger L. Burritt, Stefan Schaltegger, Martin Bennett, Tuula Pohjola, Maria Csutora, 2011-05-19 This volume's focus on the environmental accounting of supply chain processes is of particular relevance because these processes supply data about the environmental impact of relationships between business organisations an area where the boundary separating internal and external accounting is ill defined Here contributors advocate what they term accounting for cooperation as a more environmentally positive complement to the paradigmatic practice of accounting for competition Eurasian Business and Economics Perspectives Mehmet Huseyin Bilgin, Hakan Danis, Ender Demir, Virginia Bodolica, 2022-10-12 EBES conferences have been intellectual hub for academic discussion in economics finance and business fields and provide network opportunities for participants to make long lasting academic cooperation This is the 23rd volume of the Eurasian Studies in Business and Economics EBES's official proceeding series which includes selected papers from the 36th EBES Conference Istanbul The conference was organized on July 1-3 2021 in hybrid mode with both online and in person presentation In the conference 141 papers by 311 colleagues from 49 countries were presented Both theoretical and empirical papers in this volume cover diverse areas of business economics and finance from many different regions Therefore it provides a great opportunity to colleagues professionals and students to catch up with the most recent studies in different fields and empirical findings on many countries and regions
