

POWERFUL, PROVEN. AND BETTER THAN EVER.

Whether in the midst of an off-road scramble or the hassle of city traffic, the remarkable TT175 was created to give you the extra edge. With its ADR lighting and instrumentation compliance, and larger capacity fuel tank, the TT175 has got what it takes for long distance day or night traveling.

Lightweight and powerful, the 171cc 2-stroke engine with Yamaha Energy Induction System gives you steady, sure power ... instantly. And constantly. Our unique ring-and-Monocross rear suspension is the most adjustable suspension system on two wheels. Add to that longer-stroke air-cooled front forks, maintenance-free Capacitor Discharge Ignition and you've got an engine-mixt ready for street or competitive use. Yamaha TT175. At the top of its class in all-around fun.

The sophisticated ring-and-Monocross rear suspension features a lightweight flex action using steel coil springs. Its Carbon fiber pivot shaft absorbs the damping gas pressure and spring preload can be freely set for hard, rough terrain and the large 270mm wheel travel contributes to the supple action of the TT175.

Small gas chain pulley system has proven chain tension adjustment between the rear wheel and the belt.

Lateral and top loading and loading down hooks are integrated into the central wheel hub, ensuring reliable loading at all times.

TT175 meets all ADR requirements with 21W/25W sealed headlamp, tailbrake lamp, turn indicators, speedometer, odometer and horn.

The high performance expansion chamber exhaust pipe includes a multi-stage silencer for a perfect balance of engine performance and noise suppression.

The maintenance-free Capacitor Discharge Ignition produces a hot, efficient spark without mechanical breaker points. As a result, CDI meets even the worst conditions including water and mud.

An essential loading side front fork has enlarged 31mm inner tubes and high performance bushings. Right at work, the front fork and 270mm wheel stroke offer superior handling and control.

Powered by the reliable, 2-cylinder 171cc 2-stroke engine, TT175 delivers steady, sure power at all speeds. The fuel rings feature VM24 carburetor is highly efficient and economical.

Just 168kg, TT175 is lightweight and maneuverable. Plus, its special engine mount ensures smooth, vibration-free riding.

Quick-release aluminum wheel nuts, axles, fuel and water. Special rim cover that prevents damage on the wheel rim in case of a blow.
