Its The Crude Dude:

It's the Crude, Dude Linda McQuaig, 2004 Probes the mystery of what really lay behind the U S invasion of Iraq Even as Washington's rationales for war have been thoroughly discredited there's been a stunning silence about its real motives Any mention of oil is practically shouted down Breaking this virtual taboo Canadian journalist McQuaig explores Washington's desire to gain control over the largest untapped oil reserves on earth and establish a major military presence in the fantastically oil rich region even as dwindling worldwide reserves threaten to turn competition for crude into the major international battleground of the future Particularly taboo has been any suggestion of the involvement of Big Oil Yet for decades the giant oil companies have enjoyed the power to shape policy manipulate markets and even topple foreign governments In the process they've reaped staggering profits now bigger than ever The quest for crude continues to determine events around the world From publisher description War, Big Oil and the Fight for the Planet Linda McQuaig, 2011-12-14 National bestseller It's the Crude Dude is back with a slick new title and updated material In War Big Oil and the Fight for the Planet McQuaig focuses on a truly planetary issue the cataclysmic effects our addiction to oil is having on our environment and our ability to co exist in the world McQuaig's research analysis and eye for detail combine to produce a riveting tale about the battle over oil that shapes our times and will determine our future Readers of all political stripes will find this book provocative timely and impossible to put down It's the Crude, Dude Linda McQuaig, 2025-09-23 George W Bush says he invaded Iraq to bring democracy to the Middle East Some people believe that But if you have nagging doubts you'll be intrigued by the story unraveled in It's the Crude Dude With all the drama of a thriller Canadian bestselling author Linda McQuaig probes the mystery of what really lay behind the U S invasion of Iraq She points to Washington's desire to gain control of the most spectacular untapped oil bonanza on Earth even as rapidly dwindling worldwide oil reserves threaten to turn competition for crude into the major international battleground of the future That battle has actually been raging for decades Once tightly controlled by Big Oil most of the world's oil reserves have been taken over by nationalistic regimes in the Middle East Ever since those regimes imposed an oil embargo on the United States in the mid 1970s Washington has been determined to regain control over oil by force if necessary With China's recent emergence as a voracious oil consumer there soon won't be enough oil left to fuel two superpowers Against this backdrop and the equally urgent problem of global warming It's the Crude Dude reminds us of the enormous consequences of our failure to curb our addiction to oil Tales of Bernard William Forde, 2014-10-18 In writing Tales of Bernard I have tried to provide the reader and all dog lovers with a taste of what it is like to be homeless Through reading about the exploits of our hero Bernard alongside those of Boxer and his pack of stray pedigree hounds the story as a whole can be productively used as a discussion starter in both home and classroom for the child reader Tales of Bernard can be enjoyed by any dog lover whether they be child or adult as the central themes covered in the story embrace the many problems to be found in any society that

experiences abandonment desertion bullying and homelessness Each of the dog characters in the book will be readily identified with by some child readers as they display behaviour and traits which are common to many growing children The overall theme of the book is that whether it is bullying homelessness or indeed any other problem of social and environmental conditioning we all need to pull together to help each other win through

The Sport and Prey of Capitalists Linda McQuaig,2019-08-31 After more than a century as nation builders Canadians have spent recent decades downsizing or selling off our ambitious public enterprises and programs to private investors diminishing our ownership and control of key aspects of our economy our country and our lives

Nail Biter Sarah Graves,2005-12-06 Jacobia Jake Tiptree took the dangerous plunge from Wall Street power broker to homeowner Now the do it yourself enthusiast is about to discover that her own dream house is built on a foundation of murder Buying a beachfront fixer upper to lease out to Eastport Maine s burgeoning tourist crowd seems like a good idea to Jake Tiptree and her best friend Ellie White But working double time as landladies to a coven of wannabe witches isn t what they had in mind And it only gets worse when Jake is called out one stormy night to make a repair and stumbles on a dead body in the utility shed A small time thief and street preacher with a particularly violent message the deceased was no favorite of Jake s nor of anyone else in Eastport But what s he doing shot to death on Jake s property Jake s bewitching tenants including an ex cop a con man and a mute teenage girl claim to have been too busy conjuring spells to have heard or seen a thing Then a member of the coven disappears without a trace and Jake doesn t think it s a case of witchcraft but a kidnapping or worse Scandal secrets and a mysterious box buried deep in the foundation of her own home are just the beginning of a mystery that threatens to bring Jake s house and life crashing down Now she and Ellie are racing to find a missing girl who may be the key to it all or lead them to a killer holding the final nails to their coffins Praise for the Home Repair Is Homicide Mysteries of Sarah Graves Anyone who can mix slaughter and screwdrivers is a genius Plus anyone who has bought a home that needs even a new toilet seat is probably consumed with murderous thoughts Boston Herald Like the old Victorian homes she describes Graves stories seem to grow better with the passing of time Readers who enjoy solving mysteries and fixing up older homes will appreciate Jake s do it yourself expertise in both areas Booklist A sleuth as tough as the nails she drives into the walls of her 1823 Federal home enhances a clever plot which comes to an unexpected and explosive conclusion Many will relish the vividly described Down East setting but for anyone who s ever enjoyed making a home repair it s the accurate details of the restoration of Jake s old house that will appeal Publishers Weekly Think Diane Mott Davidson with a tool belt instead of recipes Denver Post
