A Guide to Hidden Wisdom of Kabbalah Rav Michael Laitman, 2003-01-01 An important goal in the study of Kabbalah is to use one's knowledge to influence one's destiny Firstly one has to realise what life is what its meaning is why it is given to us where it begins and where it ends After pondering and meditating on the above questions one has to relate all this to Kabbalah Kabbalah states that the Creator created all the worlds simultaneously including our world and we human beings have to use Kabbalah in our world the finite material world In order to further advance our understanding of the wisdom of Kabbalah we need to lift our mind's eye above the horizon of our material world Kabbalah clarifies our perception of reality What we see around us is subjective and exists only in relation to ourselves Our perception depends on our organs of sensation if they were different we would perceive another world around us This book provides the reader with a solid foundation for understanding the role of Kabbalah in our world The contents was designed to allow individuals all over the world to begin traversing the initial stages of spiritual ascent toward the apprehension of the upper realms

Practical Kabbalah Laibl Wolf, 2010-05-19 Kabbalah is an ancient Jewish wisdom that explains the laws of spiritual energy Up until very recently the Kabbalah was reserved for the elite those who only after years of scholarship and practice were allowed to enter this mystical realm However one doesn't need to devote one's life to intense study to reap the rich rewards of the Kabbalah With just a basic understanding of a few key concepts our lives can be enriched immensely We can then begin to fulfill our deepest dreams and reach our most important goals becoming the people we long to become By learning to understand the Sefirot the ten spiritual properties that flow from the cosmic source into our heart we can connect to the universe and profoundly transform our experience of daily life For example Hessed or loving kindness represents the desire to be generous while Gevurah is the desire to focus intently or withhold These properties must be balanced in order for harmony and well being to occur Rabbi Laibl Wolf shows how to maintain that balance and enjoy a healthy and productive life by using simple meditation and creative visualization techniques to grasp the spiritual nature of our life Practical Kabbalah draws upon ancient wisdom but offers a modern
