Saint-Exupéry, 2017-11-23 I converted to ePub this book I found on the Project Gutenberg Australia website [The Little Prince](#) Antoine de Saint-Exupéry, 2015-12-29 Illustrated Version The Little Prince Le Petit Prince By Antoine de Saint Exupéry The Little Prince The Children's Classic Novella The Little Prince is a poetic tale with illustrations by the author in which a pilot stranded in the desert meets a young prince fallen to Earth from a tiny asteroid. The story is philosophical and includes social criticism remarking on the strangeness of the adult world. It was written during a period when Saint Exupéry fled to North America subsequent to the Fall of France during the Second World War, witnessed first hand by the author and captured in his memoir *Flight to Arras*. The adult fable according to one review is actually an allegory of Saint Exupéry's own life: his search for childhood certainties and interior peace, his mysticism, his belief in human courage and brotherhood, and his deep love for his wife Consuelo, but also an allusion to the tortured nature of their relationship. Though ostensibly styled as a children's book, *The Little Prince* makes several observations about life and human nature. For example, Saint Exupéry tells of a fox meeting the young prince during his travels on Earth. The story's essence is contained in the lines uttered by the fox to the little prince: "On ne voit bien qu'avec le cœur. L'essentiel est invisible pour les yeux." One sees clearly only with the heart. What is essential is invisible to the eyes. Other key thematic messages are articulated by the fox, such as "Tu deviens responsable pour toujours de ce que tu as apprivoisé." You become responsible forever for what you have tamed, and "C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante." It is the time you have lost for your rose that makes your rose so important. The fox's messages are arguably the book's most famous quotations because they deal with human relationships.

A pilot who has crash landed in the desert awakes to see an extraordinary little boy. Please, asks the stranger, will you draw me a little lamb? Baffled by the little prince's incessant questioning, the pilot pulls out his pencil and starts to draw. As the little prince's curiosity takes them further on their journey together, the pilot is able to piece together an understanding of the tiny planet from which the prince has come, and of his incredible travels across the universe. [The Little Prince](#) Antoine Saint-Exupéry, 2017-08-31 The narrator, an airplane pilot, crashes in the Sahara desert. The crash badly damages his airplane and leaves the narrator with very little food or water. As he is worrying over his predicament, he is approached by the little prince, a very serious little blond boy who asks the narrator to draw him a sheep. The narrator obliges, and the two become friends. The pilot learns that the little prince comes from a small planet that the little prince calls Asteroid 325, but that people on Earth call Asteroid B 612. The little prince took great care of this planet, preventing any bad seeds from growing and making sure it was never overrun by baobab trees. One day a mysterious rose sprouted on the planet, and the little prince fell

in love with it But when he caught the rose in a lie one day he decided that he could not trust her anymore He grew lonely and decided to leave Despite a last minute reconciliation with the rose the prince set out to explore other planets and cure his loneliness
