Face the Fire Nora Roberts, 2014-12 Shelter in Place Nora Roberts, 2018-05-29 From Nora Roberts comes the 1 New York Times bestseller *Shelter in Place* June 2018 a powerful tale of heart heroism and propulsive suspense. It was a typical evening at a mall outside Portland Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together and the manager at video game store tended to customers. Then the shooters arrived. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it the effects would last forever. In the years that followed one would dedicate himself to a law enforcement career. Another would close herself off trying to bury the memory of huddling in a ladies room helplessly clutching her cell phone until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal find shelter and rebuild they will discover that another conspirator is lying in wait and this time there might be nowhere safe to hide.
