Le petit prince Antoine de Saint-Exupéry, 1946 J'ai ainsi vécu seul sans personne avec qui parler véritablement jusqu'à une panne dans le désert du Sahara il y a six ans Quelque chose s'était cassé dans mon moteur Et comme je n'avais avec moi ni mécanicien ni passagers je me préparai à essayer de réparer tout seul une réparation difficile C'était pour moi une question de vie ou de mort J'avais peine de l'eau boire pour huit jours Le premier soir je me suis donc endormi sur le sable mille milles de toute terre habitée J'étais bien plus isolé qu'un naufragé sur un radeau au milieu de l'océan Alors vous imaginez ma surprise au lever du jour quand une drôle de petite voix m'a réveillé Elle disait Si vous voulez dessinez-moi un mouton

adult and a child The adult is an aviator who has crash landed in the Sahara desert The child is a golden haired prince who has arrived on Earth after taking a circuitous route from his home on a distant asteroid The prince's tales of sheep and baobab trees and roses and the inhabitants of miniscule planets reveal many truths about the absurdness of the adult world Caroline Gourmand's beautiful new illustrations enhance a text which oscillates between narrative and dialogue and between the language of an adult and the language of a child It is truly unfortunate that we can never know how Antoine de Saint-Exupéry would have wanted his book to be interpreted but he has graciously bequeathed us with the simplest of means to reflect on life love and mortality For children aged 8 and upwards *Meet the Little Prince (Padded Board Book)* Antoine de Saint-Exupéry, 2015-09-26 The little prince introduces himself and talks about his tiny planet and his beautiful flower The LITTLE PRINCE / Le PETIT PRINCE (Avec Une Biographie Illustrée en Français) Antoine de Saint-Exupéry, 2017-11-28 The Little Prince French Le Petit Prince first published in 1943 is a novella the most famous work of French aristocrat writer poet and pioneering aviator Antoine de Saint-Exupéry The novella is one of the most translated books in the world and was voted the best book of the 20th century in France Translated into 300 languages and dialects selling nearly two million copies annually and with year to date sales of over 140 million copies worldwide 6 it has become one of the best selling books ever published After the outbreak of the Second World War Saint-Exupéry escaped to North America Despite personal upheavals and failing health he produced almost half of the writings for which he would be remembered including a tender tale of loneliness friendship love and loss in the form of a young prince visiting Earth An earlier memoir by the author had recounted his aviation experiences in the Sahara Desert and he is thought to have drawn on those same experiences in The Little Prince Since its first publication the novella has been adapted to numerous art forms and media including audio recordings radio plays live stage film television ballet and opera The Little Prince Antoine de Saint-Exupéry, 2015-05-22 The Little Prince Le Petit Prince is a novella and the most famous work of the French aristocrat writer poet and pioneering aviator Antoine de Saint-Exupéry 1900-1944 The novella is both the most read and most translated book in the French language and was voted the best book of the 20th century in France After the outbreak of the Second World War Saint-Exupéry became exiled in North America In the midst of personal upheavals and failing health he produced almost half of the writings for which he would be remembered including a tender tale of loneliness friendship love and loss in the form of a young prince fallen to Earth An earlier memoir by the author had recounted his aviation experiences in the Sahara Desert and he is thought to have drawn on those same experiences in The Little Prince Since its first publication in the United States the novella has been adapted to numerous art forms and media including audio recordings radio plays live stage film screen television ballet and operatic works The Little Prince is a poetic tale with watercolour illustrations by the author in which a pilot stranded in the desert meets a young prince fallen to Earth from a tiny asteroid The story is philosophical and includes social criticism remarking on the strangeness of the adult world It was written during a period when Saint-Exupéry fled to North America

subsequent to the Fall of France during the Second World War witnessed first hand by the author and captured in his memoir *Flight to Arras*. The adult fable according to one review is actually an allegory of Saint Exupéry's own life: his search for childhood certainties and interior peace; his mysticism; his belief in human courage and brotherhood; but also an allusion to the tortured nature of their relationship. Though ostensibly styled as a children's book, *The Little Prince* makes several observations about life and human nature. For example, Saint Exupéry tells of a fox meeting the young prince during his travels on Earth. The story's essence is contained in the lines uttered by the fox to the little prince: "On ne voit bien qu'avec le cœur. L'essentiel est invisible pour les yeux." One sees clearly only with the heart. What is essential is invisible to the eyes. Other key thematic messages are articulated by the fox, such as "Tu deviens responsable pour toujours de ce que tu as apprivoisé." You become responsible forever for what you have tamed, and "C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante." It is the time you have lost for your rose that makes your rose so important. The fox's messages are arguably the book's most famous quotations because they deal with human relationships.
