

Vertebrates

The book cover features a collage of images related to vertebrates. In the upper left, there is a detailed anatomical drawing of a vertebrate head in profile, showing internal structures like the eye, brain, and ear. To the right, a small, light-colored dinosaur stands on a nest made of dry twigs. In the center, a vibrant blue fish is depicted swimming. Below the fish, a long, thin, yellowish worm-like creature is shown. The background is a mix of these illustrations and a textured, brownish-yellow surface.
