**Out of Print: Ten Years: An Anthology of Stories** Indira Chandrasekhar,2024-07-03 About the book Out of Print in print A decade ago in 2010 Indira Chandrasekhar set up Out of Print to address a need she felt as a writer a focused platform for the short story a space for robust editorial discussions as well as one that would serve as a platform for discoveries of newer facets of the form itself and of new writing This commemorative volume hopes to capture something of that adventure It is thus not a best of volume but one that speaks to the spirit of the magazine its diversity of literary voices its openness to experimentation its focus on Indian language publishing and its stand against mediocrity Most crucially of course this is an ode to the short story form its art of brevity and honesty **Karna** Ranjit Desai,2019-08-25 Who am I It was a question that had troubled him all his life His whole life had seemed entangled in the answer His dignity his destination his ambitions they all seemed linked to that entanglement The irony was that the truth instead of liberating him had made him rudderless In the Mahabharata Karna is known to be the only warrior who could match Arjuna Born of a god and a mother who abandons him at birth Karna is mistreated from birth Rejected by Drona taunted by Draupadi insulted by his blood brothers misunderstood by many and manipulated even by the gods Karna is the classic tragic hero In his novel Radheya Ranjit Desai the author of Marathi classics like Shriman Yogi and Swami gives voice to the angst and loneliness of Karna Translated into English for the first time the novel brings to surface the many sides to Karna s character his compassionate nature his hurt and hubris the love for his wife his allegiance to Duryodhana and his complicated relationship with Krishna Global Theatre Anthologies: Classical and Modern Plays from India Bhasa,,Kalidasa,,Rabindranath Tagore,Rashid Jahan,Dharamvir Bharati,Mohan Rakesh,Datta Bhagat,K.N. Panikkar,Mahesh Dattini,2025-02-06 The power of theatrical performance is universal but the style and concerns of theatre are specific to individual cultures India s dramatic literature demonstrates extraordinary range depth and sophistication Thousands of years ago the theory and practice of how to make theatre was detailed in the Natyashastra As a result powerful plays were written and over time a multiplicity of theatrical cultures have developed Examining recurring themes such as the misuse of authority the oppressive caste practices the expression and legitimacy of romantic love societal gender expectations and the search for meaning in seemingly empty or destructive human endeavours this anthology threads together diverse cultures drawing connections across space and time Though each play is its own unique entity exploring them together allows readers to consider what theatrical techniques and cultural concerns may be

significant aspects of Indian drama Featuring work by the first Asian Nobel Laureate acclaimed political writers and a female gynaecologist who created startling drama from the women she had encountered the range of playwrights speaks to the cultural diversity of the drama with plays ranging from classical Sanskrit drama through major works from the beginning to the end of the 20th Century Through taking an international perspective Global Theatre Anthologies draws together work from ancient indigenous and modern times encouraging thinking across boundaries and questioning what theatrical and societal values are part of India drama and what the relationships are between the old and new world **The Mahābhārata**, 1977 A Supplementary Catalogue of Sanskrit, Pali, and Prakrit Books in the Library of the British Museum Acquired During the Years 1892-1928 British Museum.
