**A Second German Book** H. S. Beresford-Webb, 1903      *German books in print*, 2003      *Who's who in German* Brigitte Schellmann, 1999      Dictionar portativ român-german și german-român Ghiță Pop, 1911      *Dictionar portativ român-german și german-român* Ghiță Pop, 1911      Translating Silent Cinema Dror Abend-David, 2025-09-17 Translating Silent Cinema examines closely the translation adaptation and reception of three silent films in English German and Yiddish to argue that the study of film translation should extend beyond textual translation to a wide selection of primary materials and the consideration of social economic cultural and historical contexts Close readings of *Der Kaufmann von Venedig* The Merchant of Venice 1923 *Das alte Gesetz* The Ancient Law 1923 and *Ost und West* East and West 1923 raise a theoretical question Can we discuss films in the same way that we discuss theater productions regarding each individual screening as a performance and compose a performance history of different films As no two film screenings are the same the author highlights the importance of a multidisciplinary approach to translation that combines insights from film studies translation studies and cultural and historical contexts Furthermore in linguistic comparison and in the study of the reception of the films in each language this book argues that each film is the subject of very different receptions under very different circumstances It also analyzes the relevance of films that were made in Austria and in Germany during the 1920s on Jewish themes to a contemporary debate about immigration racism and discrimination This book's pioneering analysis of the study of film translation encompasses a wide context of multiplicity of ideologies economic interests and historical contexts It will be of interest for readers in translation studies particularly in audiovisual translation film studies German studies and German cinema and Jewish studies and cinema      An Historical Dictionary of German Figurative Usage Keith Spalding, 1967
