includes social criticism remarking on the strangeness of the adult world It was written during a period when Saint Exupéry fled to North America subsequent to the Fall of France during the Second World War witnessed first hand by the author and captured in his memoir *Flight to Arras* The adult fable according to one review is actually an allegory of Saint Exupéry's own life his search for childhood certainties and interior peace his mysticism his belief in human courage and brotherhood and his deep love for his wife Consuelo but also an allusion to the tortured nature of their relationship Though ostensibly styled as a children's book *The Little Prince* makes several observations about life and human nature For example Saint Exupéry tells of a fox meeting the young prince during his travels on Earth The story's essence is contained in the lines uttered by the fox to the little prince *On ne voit bien qu'avec le cœur L'essentiel est invisible pour les yeux* One sees clearly only with the heart What is essential is invisible to the eyes Other key thematic messages are articulated by the fox such as *Tu deviens responsable pour toujours de ce que tu as apprivoisé* You become responsible forever for what you have tamed and *C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante* It is the time you have lost for your rose that makes your rose so important The fox's messages are arguably the book's most famous quotations because they deal with human relationships

The Little Prince Antoine Saint-Exupéry, 2016-10-14 The Little Prince recounts the relationship between an adult and a child The adult is an aviator who has crash landed in the Sahara desert The child is a golden haired prince who has arrived on Earth after taking a circuitous route from his home on a distant asteroid The prince

s tales of sheep and baobab trees and roses and the inhabitants of miniscule planets reveal many truths about the absurdness of the adult world Caroline Gourmand s beautiful new illustrations enhance a text which oscillates between narrative and dialogue and between the language of an adult and the language of a child It is truly unfortunate that we can never know how Antoine de Saint ExupEry would have wanted his book to be interpreted but he has graciously bequeathed us with the simplest of means to reflect on life love and mortality For children aged 8 and upwards
