Le Tarot Quantique Chantal Mione, 2015-08-09 Cet ouvrage est une tude symbolique et approfondie du tarot de Marseille en correspondances avec les lettres h bra ques les mythes l alchimie et les huiles essentielles Une m thode de lecture in dite bas e sur un fantastique outil de th rapie quantique qui fait de ce tarot une mati re de transmutation *Le tarot quantique* Chantal Mione, 2015 [Les Livres disponibles](#) , 2002 La liste exhaustive des ouvrages disponibles publi s en langue fran aise dans le monde La liste des diteurs et la liste des collections de langue fran aise **Livres hebdo** , 2003

Si Noire Est la Clarté Chantal Mione, 2015-09-03 Ecartel e entre une m re prostitu e de luxe et une grand m re angoiss e et d pressive confront e l inceste la petite Claire saura t elle dans les m andres de la folie trouver un chemin de r silience Un roman psychologique et initiatique fort entre ombre et lumi re **Le Grand Tarot de L'Amour** Karina Hubert, 2015-06-14 Welcome dear readers My intention with this tarosophic love book is that the messages warnings and advice of the ancient age would reach you so you can discover the wisdom of love s eternal cycle for yourself that is the royal path of love TAR path road royal RO SOPHIA wisdom During our life we often experience situations that the cards represent with different symbols images and symbol systems The sequence of cards presents the progress which we all need to go through so the card is nothing more than the eternal cycle of Existence itself which will be circular and whole through the repeated letter t in the word Tarot Exist ence Our ancestors invented numerous packets of cards for educational purposes With them they taught Law Logic skills Geography Mythology and no matter how amazing it sounds the Bible too Also King Louis XIV himself acquired his historical knowledge through similar cards at the initiative of Cardinal Mazarin That is exactly why I attached one or two more interesting love and life stories next to the interpretation of the cards For all my life I have been interested in life stories women s place in society and their fight for power therefore I have been studying the works of renowned historians for many years During my readings I came across many interesting figures who lived an extraordinary life Many times I felt I was right there with them in that era in that particular situation they experienced It is a shame that teachers deal with more interesting historical stories situations only for a few lessons outside the required curriculum because after an enjoyable lesson history would be a lot closer and interesting to everyone Our children would understand how lucky they are in some ways because they did not have to go through the loss of parents the loss of their love in senseless wars they have no need to fight in order to learn and get an education At the same time they are at a considerable disadvantage too because unlike earlier no one teaches them honour standing up for themselves sticking together as a family from an early age Tarot is not just a card game but also an ancient timeless wisdom Its cards indicate life situations turns of fate steeped in symbolism Just as long ago it is still very helpful if everyone gets to know the life stories related to the cards because our ancestors lived and understood each stage of their lives through these educational stories they were getting prepared for adulthood marriage and parenthood even as a child Filtering through these stories they could experience the male and

female social roles or even the changes that come inevitable with age or moreover birth and death This book carries the message of this old world in itself It is for those path seekers and road enthusiasts who no longer seek the causes and responses outside but inside Those who are already beginning to understand that we attract certain people and events to ourselves If you keep this card in your hand today it is time for the messages of old times to address you Do not expect accurate information about what will happen to you but rather turn to it with confidence because by recognizing and taking the circumstances into account it will help you to learn to decide autonomously and thus take your own destiny in your hands and mold it according to your will Devote time for the cards and let your intuition guide you Choose the one that best appeals to you and close your eyes the answers will arrive shortly Do not forget that there is a reason for everything nothing is coincidental Not even the fact that you are holding this book in your hands right now Le Grand Tarot de L'amour
