Alexandre, 2017-02-14 This what is rather than how to volume proposes a theoretical framework for understanding dance leadership for dancers leaders and students of both domains illustrated by portraits of leaders in action in India South Africa UK US Brazil and Canada What is dance leadership Who practices it in what setting and why Through performance choreography teaching writing organizing and directing the dance leaders portrayed herein instigate change and forward movement Illustrating all that is unique about leading in dance and by extension the other arts readers can engage with such wide ranging issues as Does the practice of leading require followers How does one individual's dance movement act on others in a group What does social engagement mean for artists Is the pursuit of art and culture a human right

The Dance of Society William B. De Garmo, 1879 **This is Our House** Hillegonda C. Rietveld, 2019-01-04 Originally published in 1998 House music has had a considerable influence in shaping the sound of pop music from the late 1980s onwards From underground dance events to the pop charts traces of this aesthetic can be found in many guises This book traces a genealogy of house and maps some of the power structures that are at play in its production and consumption Places like Chicago New York London Manchester Amsterdam and Rotterdam have been visited providing the material to discuss such subjects as contemporary dance culture DJs and the roles of musical technologies The author Hillegonda Rietveld was already steeped in dance club culture before she decided to write this loving piece of academic prose about house Taking critical culture studies as its aesthetic fuel she ram raids boundaries of academic disciplines fusing ideas like a meticulous DJing curator

Dance, Embodied Agency and Neuroplasticity in Aging Glenna B. Batson, Bettina E. Bläsing, Aline Nogueira Haas, Christina E. Hugenschmidt, Joseph F. X. DeSouza, 2024-11-18

Dance is a multi sensory and multi modal form of movement expression one that stimulates creative potential for innovative action and intersubjective communication Over the last two decades results from systematic reviews have shown a spectrum of dance styles to be powerful non pharmacological agents in advancing intergenerational health across quality of life domains This Research Topic invites further investigation into the specificity of how the dancing body can access untapped cognitive resources that promote brain health in the elderly While early findings from dance protocols have been shown to impact positively on structural and functional neuroplasticity the link between embodied agency and brain health remains under researched and under theorized Researchers are called to design methodologies that test the eco validity of dance explicitly examining the interactive effects of sentient expressive movement with cognitive reserve One challenge among many lies in explicating and differentiating the elements of the dancing body itself particularly when outcomes correlate with other forms of movement rich exercise for the elderly
